American Book Publishing Record ,1996 **The Legacy of Robert Penn Warren** David Madden,2000-08 Robert Penn Warren was unique among twentieth century American writers for having achieved excellence in a broad and assorted range of genres poems novels plays critical works historical essays personal essays biography and innovative textbooks In this collection of essays critics and poets among the finest Warren scholars assess Warren s legacy within his various genres and illuminate his centrality to twentieth century American culture Although Warren was best known for his novel *All the King s Men* the fact that most of these essays focus on his poetry attests to the urgency these poets and scholars feel about the need to call attention to this relatively neglected aspect of his work Although their approaches and themes are varied the pieces in *The Legacy of Robert Penn Warren* are united in their assertion that the writer s true legacy is that he was in a century of increasing specialization a myriad minded Renaissance man *Catalog of Copyright Entries. Beck,2006 Using a largely chronological approach Charlotte Beck has carefully traced the evolution of Warren s criticism focusing on seminal examples of the critical books essays and introductions that Warren produced over a period of almost seventy years Her conclusions often run counter to

previous evaluations of Warren's criticism especially to those that complacently link Warren to Cleanth Brooks his lifelong friend and collaborator and to New Criticism in general Beck demonstrates that Warren consistently treats writers holistically taking into account biographical as well as historical data to account for their entire body of work rather than focusing on a single literary text Jacket *Standard Catalog for High School Libraries* H.W. Selected Letters of Robert Penn Warren Robert Penn Warren, 2008 Volume four of the Selected Letters of Robert Penn Warren covers a crucial time of personal and professional rejuvenation in Warren's life During the fifteen year period spanned by this correspondence he completed *Brother to Dragons* *Segregation The Inner Conflict in the South* and *Who Speaks for the Negro* As these titles suggest these years were marked by Warren's immersion in American history and his maturing interest in race relations They also saw his return to lyric poetry after a ten year hiatus with the publication of the Pulitzer Prize winning collection *Promises Along* with seeing the completion of some of his most successful work this period was a time of momentous change in Warren's life including his move to Yale University his marriage to his second wife Eleanor and the birth of his two children As a chronicle of Warren's thoughts on his family his work his friends the state of literary studies and the culture at large these letters are invaluable Unlike many writers Warren rarely drafted his correspondence with future readers and scholars in mind he typically saved his prepared statements about the human condition and the state of the world for his poetry fiction and social commentary His letters offer a candid and personal glimpse of Warren's relationships as well as his personal views on literature politics and social trends Their recipients include Ralph Ellison Allen Tate Saul Bellow Robert Lowell Eudora Welty and Louis Rubin as well as Warren's editors reviewers collaborators and other friends Providing an unusually vivid and personal account of Warren's rich and fully realized life these missives are equally revealing of his thoughts on the state of contemporary American culture during this dynamic time in American history

1992, Shaw and the Last Hundred Years Bernard Frank Dukore, 1994 In 1892 the first production of Bernard Shaw's first play *Widowers Houses* heralded the birth of modern drama in the English language One hundred years later a group of Shavians gathered to examine the significance and influence of Shaw's drama in the English speaking world The conference sponsored by Virginia Polytechnic Institute and State University brought together theater scholars critics and artists from Canada England Ireland and the United States The conference also featured productions of *The Shewing up of Blanco Posnet* *The Man of Destiny* and *Farfetched Tales* each followed by a symposium The centennial conference not only marked the importance of the event but also stimulated new ways of regarding that historic moment reexaminations of the significance of Shaw's plays and explorations of their consequences Some speakers reevaluated the genesis of the first production of *Widowers Houses* and its social cultural and theatrical context Some brought to bear on the subject of Shavian drama recent critical perspectives such as feminism deconstructionism and the

type of close textual and intertextual scrutiny seldom accorded Shaw Others explored his impact in England America Ireland and the Antipodes Still others examined the relationship of comedy and ideas subtext and how this Victorian dramatist remains pertinent today The conference concluded with a symposium that aimed to assess what might lie ahead for Shaw on page and stage in the next hundred years This volume records the proceedings of the conference as well as reviews and the continuing checklist of Shaviana Contributors are Peter Barnes Charles A Berst Montgomery Davis Bernard F Dukore Martin Esslin Joanne E Gates Nicholas Grene Christopher Innes Katherine E Kelly Frederick P W McDowell Rhoda Nathan Christopher Newton Michael O Hara Jean Reynolds Irving Wardle Stanley Weintraub and J L Wisenthal *Writers and Miners* David C. Duke, 2014-07-11 Coal miners evoke admiration and sympathy from the public and writers some seeking a muse others a cause traditionally champion them David C Duke explores more than one hundred years of this tradition in literature poetry drama and film Duke argues that as most writers spoke about rather than to the mining community miners became stock characters in an industrial morality play robbed of individuality or humanity He discusses activist writers such as John Reed Theodore Dreiser and Denise Giardina who assisted striking workers and looks at the writing of miners themselves He examines portrayals of miners from *The Trail of the Lonesome Pine* to *Matewan* and *The Kentucky Cycle* The most comprehensive study on the subject to date *Writers and Miners* investigates the vexed political and creative relationship between activists and artists and those they seek to represent **American Book Publishing Record Cumulative, 1950-1977** R.R.
