

# Robert Taylor

**John F. Bauman, Roger Biles, Kristin M.  
Szylvian**

## **Robert Taylor:**

**The Life of Robert Taylor** Jane Ellen Wayne, 1973      **Robert Taylor** Gillian Kelly, 2019-06-27 Because of his lengthy screen resume that includes almost eighty appearances in such movies as *Camille* and *Waterloo Bridge* as well as a marriage and divorce to actress Barbara Stanwyck Robert Taylor was a central figure of Hollywood's classical era. Despite this he can be regarded as a lost star, an interesting contradiction given the continued success he enjoyed during his lifetime. In *Robert Taylor: Male Beauty, Masculinity and Stardom in Hollywood* author Gillian Kelly investigates the initial construction and subsequent developments of Taylor's star persona across his thirty-five year career. By examining concepts of male beauty, men as object of the erotic gaze, white American masculinity and the unusual longevity of a career initially based on looks, Kelly highlights how gender, masculinity and male stars and the ageing process affected Taylor's career. Placing Taylor within the histories of both Hollywood's classical era and mid-twentieth century America, this study positions him firmly within the wider industrial, cultural and socioeconomic contexts in which he worked. Kelly examines Taylor's film and television work as well as ephemeral material such as fan magazines to assess how his on and off screen personas were created and developed over time. Taking a mostly chronological approach, Kelly places Taylor's persona within specific historical moments in order to show the complex paradox of his image remaining consistently recognizable while also shifting seamlessly within the Hollywood industry. Furthermore, she explores Taylor's importance to Hollywood cinema by demonstrating how a star persona like his can fit so well and for so long that it almost becomes invisible and eventually almost forgotten.

**The Films of Robert Taylor** Lawrence J. Quirk, 1975-12-01      *Robert Taylor: A Biography (Hardback)* Charles Tranberg, 2015-10-02 This is the HARDBACK edition. Chuck Tranberg meticulously and painstakingly researched, explored and carefully chronicled this fascinating time in history. He offers us a glimpse into early Hollywood where the studio system incubated and dominated so many stars. Robert Taylor among them. Terry Taylor, son of Robert Taylor, in his introduction to this book, Robert Taylor was one of Hollywood's biggest stars for over thirty years and starred in such classic films as *Magnificent Obsession*, *Camille*, *A Yank at Oxford*, *Waterloo Bridge*, *Johnny Eager*, *Quo Vadis*, *Ivanhoe* and *The Last Hunt*. He worked with the cream of Hollywood leading ladies: Irene Dunne, Joan Crawford, Greta Garbo, Vivien Leigh, Lana Turner, Katharine Hepburn and Barbara Stanwyck, who he later married, just to name a few. An open and friendly man who usually tried to avoid controversy, Taylor stepped into it when he became a so-called friendly witness appearing before the House Un-American Activities Committee during the height of the Washington investigations into alleged Communism in Hollywood. It has haunted his reputation to this day. A happy second marriage to actress Ursula Thiess produced two children and gave Taylor a contentment he lacked in his earlier marriage. Author Charles Tranberg takes a fresh look at the actor who was once called 'The man with the perfect profile'. This book also takes a fascinating look at the Hollywood Studio system which existed during Taylor's heyday.
