Robert Bly When Sleepers Awake:

Robert Bly Joyce Peseroff, 1984-01-01 **The Incorporative Consciousness of Robert Bly** Victoria Frenkel Harris, 1992 Victoria Frenkel Harris traces the aesthetic journey of poet Robert Bly from his early structured works of mystical imagery and lyrical landscapes to his recent explorations of intimate relationships and male socialization Examining the various ways Bly's prose poems articulate his opposition to the Vietnam War and his recent writings manipulate more formal patterns in detailing the intricacies of human relationships Harris labels this evolution in form subject and imagery the incorporative consciousness incorporative because it assimilates Jungian psychological categories international poetic traditions and a compelling breadth of topics Harris relies in part on contemporary feminist theory to throw revealing new light on Bly's recent works Though sympathetic to Bly Harris finds that in spite of his affirmation of the interaction of psychic creative and intellectual energies in both sexes the poet's later erotic poems tend to objectify women in counterproductive ways Bly's idealization of woman as a Jungian universal Harris contends can blind him toward actual women Harris is at her best as she delimits with balance and precision the full complexity of the poet's work **A Study Guide for Robert Bly's "Come with Me"** Gale, Cengage Learning, 2016 A Study Guide for Robert Bly's Come with Me excerpted from Gale's acclaimed Poetry for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Poetry for Students for all of your research needs Understanding Robert Bly William Virgil Davis, 1988 Robert Bly Richard P. Far Field Bernard W. Quetchenbach, 2000 Many poets writing after World War II have found the individual focus of contemporary poetics poorly suited to making statements directed at public issues and public ethics The desire to invest such individualized poetry with greater cultural authority presented difficulties for Vietnam protest poets for example and it has been a particular challenge for nature writers in the Thoreau tradition who have attempted to serve as advocates for the natural world Examining the implications of this dilemma Bernard W Quetchenbach locates the poets Robert Bly Gary Snyder and Wendell Berry within two traditions the American nature writing tradition and the newer tradition of contemporary poetics He compares the work of two other twentieth century poets Robinson Jeffers and Theodore Roethke to illustrate how the contemporary shift toward a poetics focused on the poet's life has affected portrayals of nature and the public voice in poetry Turning back to the work of Bly Snyder and Berry Quetchenbach assesses their attempts to reinvent the public voice in the context of contemporary poetics and what effect these attempts have had on their work He argues that these poets have learned from their postwar generation techniques for adapting a personalized poetics to environmental advocacy In addition to modifying what critics have called the poetics of immediacy these poets have augmented their poetic output with prose and identified themselves with long standing traditions of poetic ethical and spiritual authority In doing so Bly Snyder and Berry have attempted to solve not only a problem inherent in contemporary poetics but also the larger problem of the role of the poet in a society that does not recognize poetry While it would be an overstatement to suggest that these three figures have found a place for the poet in American life they have reached audiences that extend beyond traditional readers of poetry At the end of the twentieth century Quetchenbach concludes poets have begun to identify and direct their writing to specific audiences defined less by aesthetic preferences and more by a shared interest in and dedication to the work's subject matter Whether revealing a disturbing trend for poetry or an encouraging one for environmentalism and other political causes it is one of many provocative conclusions Quetchenbach draws from his examination of postwar nature poetry

Roberson, 1986 No descriptive material is available for this title *Death to the Death of Poetry* Donald Hall, 2021-08-02 Donald Hall believes that American poetry at the present moment thrives both in quality and in leadership In his latest collection of essays reviews and interviews Hall counters the increasingly publicized view that poetry has an ever diminishing importance in contemporary American culture He resents the endlessly repeated cliché that finds poetry unpopular and losing popularity Thus *Death to the Death of Poetry* Throughout the pages of this latest offering in the Poets on Poetry series Hall returns again and again to the theme of poetry's health and offers essays praising contemporary poets who serve as examples of poetry's thriving condition In addition *Death to the Death of Poetry* collects interviews in which Hall discusses the work of poetry revisions standards the psychology and sociology of the poet's life The collection will be warmly received by Donald Hall's large readership enhanced in 1993 by publication of two exemplary volumes *The Museum of Clear Ideas* his eleventh

on Robert Bly William Virgil Davis, 1992 Three dozen reviews and essays examine particular works and overall themes of contemporary American poet Bly documenting the reception of his work at the various stages of his career Some are reprinted others commissioned for the volume Annotation copyright by Book News Inc Portland OR **Wreading** Jed Rasula, 2022-03-29 Jed Rasula is a preeminent scholar of avant garde poetics noted for his erudition intellectual range and critical independence He's also a gifted writer his recent books have won praise for their entertaining clear prose in addition to their scholarship He is also an alumnus of UAP's distinguished Modern and Contemporary Poetics series which published his *Syncopations* fifteen years ago Rasula returns to the MCP series with *Wreading* A collection of essays interviews and occasional writings that reflects the breadth and diversity of his curiosity One of the referees likened *Wreading* to a victory lap but one that sets its own further record in the taking This is a collection of highlights from Rasula's shorter critical pieces but also a carefully assembled and revised intellectual autobiography *Wreading* consists of two parts an assortment of Rasula's solo criticism and selected interviews and conversations with other critics and scholars Evelyn Reilly Leonard Schwartz Tony Tost Mike Chasar Joel Bettridge and Ming Qian Ma The collection opens with a trio of essays that complicate the idea of a poet By interrogating the selection of poets for anthologies in the 20th century Rasula identifies a host of forgotten poets once prominent but now forgotten Another essay on the state of the poetry anthology reveals how much influence literary gatekeepers have and what a reimagination of the anthology form could make possible In subsequent chapters Rasula finds surprising overlap between Dada and Ralph Waldo Emerson charts the deep links between image and poetic inspiration and reckons with Ron Silliman's *The Alphabet* a UAP classic In the book's second half Rasula engages in detailed conversations with a roster of fellow critics Their exchanges confront ecopoetics the corporate university the sheer volume of contemporary poetry and more This substantial set of dialogues gives readers a glimpse inside a master critic's deeply informed critical practice and lists his intellectual touchstones The balance between essay and interview achieves a distillation of Rasula's long established idea of *wreading* In his original use the term denotes how any act of criticism inherently adds to the body of writing that it purports to read how Rasula couldn't help but participate in his favorite poems In this latest form *Wreading* captures a critical perception that sparks insight and imagination no matter what it sees **"If I touch the Depth of Your Heart ...
