Robert Burns And Cultural Authority:

Robert Burns and Cultural Authority Robert Crawford, 1999-06-01 Eleven contemporary writers and academics analyze the place of Scotland's best loved poet in relation to literary and social institutions since the eighteenth century From Burns and God to Burns and Sex the essays reflect upon why Burns's work has acquired worldwide cultural importance Nobel prize winner Seamus Heaney novelist A L Kennedy poet Douglas Dunn and literary historian Marilyn Butler are among the impressive array of contributors to this lively volume

Association and Enlightenment Mark C. Wallace, Jane Rendall, 2020-12-18 Social clubs as they existed in eighteenth and early nineteenth century Scotland were varied they could be convivial sporting or scholarly or they could be a significant and dynamic social force committed to improvement and national regeneration as well as to sociability The essays in this volume examine the complex history of clubs and societies in Scotland from 1700 to 1830 Contributors address attitudes toward associations their meeting places and rituals their links with the growth of the professions and with literary culture and the ways in which they were structured by both class and gender By widening the context in which clubs and societies are set the collection offers a new framework for understanding them bringing together the inheritance of the Scottish past the unique and cohesive polite culture of the Scottish

Enlightenment and the broader context of associational patterns common to Britain Ireland and beyond **The Cambridge History of English Literature, 1660-1780** John Richetti, 2005-01-06 The Cambridge History of English Literature 1660 1780 offers readers discussions of the entire range of literary expression from the Restoration to the end of the eighteenth century In essays by thirty distinguished scholars recent historical perspectives and new critical approaches and methods are brought to bear on the classic authors and texts of the period Forgotten or neglected authors and themes as well as new and emerging genres within the expanding marketplace for printed matter during the eighteenth century receive special attention and emphasis The volume's guiding purpose is to examine the social and historical circumstances within which literary production and imaginative writing take place in the period and to evaluate the enduring verbal complexity and cultural insights they articulate so powerfully

Worlds of Hungarian Writing András Kiséry, Zsolt Komáromy, Zsuzsanna Varga, 2016-05-12 Worlds of Hungarian Writing responds to the rapidly growing interest in Hungarian authors throughout the English speaking world Addressing an international audience the essays in the collection highlight the intercultural contexts that have molded the conventions genres and institutions of Hungarian writing from the nineteenth century to the present They are mapping some of the ways in which a modern literature is produced by encounters with languages cultures and media external to its traditionally conceived boundaries But rather than viewing intercultural exchange as an external force the collection recognizes its enabling importance to the globalizing reception and circulation of Hungarian writing over the continuities and constraints implied by more traditional national narratives Worlds of Hungarian Writing posits intercultural exchange as the very substance of a literary culture Discussions of the politics of appropriation and translation

of the impact of migr writers and critics and of the use of world literary models in genre formation complement studies of the fate of western leftist critical theory in post 1989 Hungary of the role of African American models in contemporary Roma culture and of the use of photography in late 20th century prose The volume spans a wide generic range from the achievements of such canonical 19th century critics and poets as J zsef Bajza and J nos Arany to neglected women authors translators such as Theresa Pulszky to modernist writers and critics like Antal Szerb and Gy rgy Luk cs and to the contemporary novelists P ter Esterh zy P ter N das and L szl Krasznahorkai Each essay is an original contribution to comparative literature and to the study of this Central European literature but is intended to be accessible to readers unfamiliar with its traditions

Culture, Nation, and the New Scottish Parliament Caroline McCracken-Flesher, 2007

Culture Nation and the New Scottish Parliament asserts that while Scotland's new Parliament 1999 is a creation of laws politics and economics some of the forces underpinning it are cultural therefore constantly alive and insistently creative Scotland may not be confined by but has always lived within and moved forward and outward through its signs and stories In the moment of the new Parliament it is time to cast up Scotland's accounts of past and present and to review the nation's futures Readers will find the usual signs of Scotland foregrounded questioned and re energized as contributors trace the dynamic toward a Scottish Parliament And they will find new signs whether sounds sights or souvenirs come into play revealing today's performance of a dynamic Scotland Caroline McCracken Flesher teaches the novel the British eighteenth and nineteenth centuries Scottish literature and literary theory at the University of Wyoming

Shakespeare and Scotland Willy Maley, Andrew Murphy, 2018-07-30 Shakespeare and Scotland is a timely collection of new essays in which leading scholars on both sides of the Atlantic address a neglected national context for an exemplary body of dramatic work too often viewed within a narrow English milieu or against a broad British backdrop These essays explore from a variety of critical perspectives the playwright's place in Scotland and the place of Scotland in his work From critical reception to dramatic and cinematic adaptation the contributors engage with the complexity of Shakespeare's Scotland and Scotland's Shakespeare The influence of Scotland on Shakespeare's writing and later on his reception is set alongside the dramatic effects that Shakespeare's work had on the development of Scottish literature from the Globe to globalisation and from Captain Jamy and King James to radical productions at the Citizens Theatre in Glasgow

Weeping Britannia Thomas Dixon, 2015-09-10 There is a persistent myth about the British that we are a nation of stoics with stiff upper lips repressed emotions and inactive lachrymal glands Weeping Britannia the first history of crying in Britain comprehensively debunks this myth Far from being a persistent element in the national character the notion of the British stiff upper lip was in fact the product of a relatively brief and militaristic period of our past from about 1870 to 1945 In earlier times we were a nation of proficient sometimes virtuosic moral weepers To illustrate this perhaps surprising fact Thomas Dixon charts six centuries of weeping Britons and theories about them from the medieval mystic Margery Kempe in the early fifteenth century to Paul

Gascoigne's famous tears in the semi-finals of the 1990 World Cup. In between the book includes the tears of some of the most influential figures in British history from Oliver Cromwell to Margaret Thatcher not forgetting George III Queen Victoria Charles Darwin and Winston Churchill along the way. But the history of weeping in Britain is not simply one of famous tear-stained individuals. These tearful micro-histories all contribute to a bigger picture of changing emotional ideas and styles over the centuries touching on many other fascinating areas of our history. For instance the book also investigates the histories of painting literature theatre music and the cinema to discover how and why people have been moved to tears by the arts from the sentimental paintings and novels of the eighteenth century and the romantic music of the nineteenth to Hollywood weepies expressionist art and pop music in the twentieth century. Weeping Britannia is simultaneously a museum of tears and a philosophical handbook using history to shed new light on the changing nature of Britishness over time as well as the ever-shifting ways in which we express and understand our emotional lives. The story that emerges is one in which a previously rich religious and cultural history of producing and interpreting tears was almost completely erased by the rise of a stoical and repressed British empire in the late nineteenth century. Those forgotten philosophies of tears and feeling can now be rediscovered. In the process readers might perhaps come to view their own tears in a different light as something more than mere emotional incontinence.

The Romantic Poetry Handbook Michael O'Neill, Madeleine

Callaghan, 2017-12-18 An absorbing survey of poetry written in one of the most revolutionary eras in the history of British literature. This comprehensive survey of British Romantic poetry explores the work of six poets whose names are most closely associated with the Romantic era: Wordsworth Coleridge Blake Keats Byron and Shelley as well as works by other significant but less widely studied poets such as Leigh Hunt Charlotte Smith Felicia Hemans and Letitia Elizabeth Landon. Along with its exceptional coverage the volume is alert to relevant contexts and opens up ways of understanding Romantic poetry. The Romantic Poetry Handbook encompasses the entire breadth of the Romantic Movement beginning with Anna Laetitia Barbauld and running through to Thomas Lovell Beddoes and John Clare. In its central section Readings it explores tensions change and continuity within the Romantic Movement and examines a wide range of individual poems and poets through sensitive attentive and accessible analyses. In addition the authors provide a full introduction a detailed historical and cultural timeline biographies of the poets whose works are featured in the Readings section and a helpful guide to further reading. The Romantic Poetry Handbook is an ideal text for undergraduate and postgraduate study of British Romantic poetry. It also will appeal to every reader with an interest in the Romantics and in poetry generally.

Pointed Encounters Anne McKee Stapleton, 2014-08-01 Pointed Encounters establishes the literary significance of representations of dance in poetry song dance manuals and fiction written between 1750 and 1830. Presenting original readings of canonical texts and fresh readings of neglected but significant literary works this book traces the complicated role of social dancing in Scottish culture and identifies the hitherto unexplored motif of dance as an outwardly conforming yet covertly subversive expression of

Scottish identity during the period The volume draws upon diverse yet mutually revealing texts from traditional dance and music to Sir Walter Scott and contemporary Scottish women novelists to offer students and scholars of Scottish and English literature a fresh insight into the socio cultural context of the British state after 1746 **Understanding Scotland**

Musically Simon McKerrell, Gary West, 2018-02-15 Scottish traditional music has been through a successful revival in the mid twentieth century and has now entered a professionalised and public space Devolution in the UK and the surge of political debate surrounding the independence referendum in Scotland in 2014 led to a greater scrutiny of regional and national identities within the UK set within the wider context of cultural globalisation This volume brings together a range of authors that sets out to explore the increasingly plural and complex notions of Scotland as performed in and through traditional music Traditional music has played an increasingly prominent role in the public life of Scotland mirrored in other Anglo American traditions This collection principally explores this movement from historically text bound musical authenticity towards more transient sonic identities that are blurring established musical genres and the meaning of what constitutes traditional music today The volume therefore provides a cohesive set of perspectives on how traditional music performs Scottishness at this crucial moment in the public life of an increasingly dis United Kingdom Poetics of Character

Susan Manning, 2013-11-14 A study of literary character in a comparative context offering a wide ranging approach to transatlantic literature in history A History of Food in Literature Charlotte Boyce, Joan Fitzpatrick, 2017-05-18 When novels plays and poems refer to food they are often doing much more than we might think Recent critical thinking suggests that depictions of food in literary works can help to explain the complex relationship between the body subjectivity and social structures A History of Food in Literature provides a clear and comprehensive overview of significant episodes of food and its consumption in major canonical literary works from the medieval period to the twenty first century This volume contextualises these works with reference to pertinent historical and cultural materials such as cookery books diaries and guides to good health in order to engage with the critical debate on food and literature and how ideas of food have developed over the centuries Organised chronologically and examining certain key writers from every period including Chaucer Shakespeare Austen and Dickens this book s enlightening critical analysis makes it relevant for anyone interested in the study of food and literature *Cultures of Radicalism in Britain and Ireland* John Kirk, 2015-10-06 This collection of essays addresses the role of literature in radical politics Topics covered include the legacy of Robert Burns broadside literature in Munster and radical literature in Wales Acts of Union Leith Davis, 1998 This book explores the political relationship between Scotland and England as it was negotiated in literature after the 1707 Act of Union It is built around five discursive encounters between Scottish and English writers Daniel Defoe Lord Belhaven Tobias Smollett Henry Fielding James Macpherson Samuel Johnson William Wordsworth Robert Burns and Walter Scott Thomas Percy The Collected Writings of Edward Rushton (1756-1814) Edward Rushton, 2014 The first modern edition of the writings of a staunch radical poet from

the romantic period based in Liverpool *A Companion to European Romanticism* Michael Ferber,2008-04-15 This companion is the first book of its kind to focus on the whole of European Romanticism Describes the way in which the Romantic Movement swept across Europe in the early nineteenth century Covers the national literatures of France Germany Italy Poland Russia and Spain Addresses common themes that cross national borders such as orientalism Napoleon night nature and the prestige of the fragment Includes cross disciplinary essays on literature and music literature and painting and the general system of Romantic arts Features 35 essays in all from leading scholars in America Australia Britain France Italy and Switzerland The Oxford Handbook of British Poetry, 1660-1800 John T. Lynch,2016 In the most comprehensive up to date account of the poetry published in Britain between the Restoration and the end of the eighteenth century a team of leading experts surveys the poetry of the age in all its richness and diversity They provide a systematic overview and restore these poetic works to a position of centrality in modern criticism The Oxford Handbook of British Poetry, 1660-1800 Jack Lynch,2016-11-10 In the most comprehensive and up to date overview of the poetry published in Britain between the Restoration and the end of the eighteenth century forty four authorities from six countries survey the poetry of the age in all its richness and diversity serious and satirical public and private by men and women nobles and peasants whether published in deluxe editions or sung on the streets The contributors discuss poems in social contexts poetic identities poetic subjects poetic form poetic genres poetic devices and criticism Even experts in eighteenth century poetry will see familiar poems from new angles and all readers will encounter poems they ve never read before The book is not a chronologically organized literary history nor an encyclopaedia nor a collection of thematically related essays rather it is an attempt to provide a systematic overview of these poetic works and to restore it to a position of centrality in modern criticism **Nationalism in Modern Europe** Derek Hastings,2018-02-08 Nationalism has been without question one of the most potent political and cultural forces within Europe since the late 18th century Placing particular emphasis on transnational and comparative links Nationalism in Modern Europe provides a clear and accessible history of the development of nationalism in Europe from the French Revolution to the present The book situates nationalist ideas and movements in Europe firmly within the context of other signifiers of identity and belonging such as religion race and gender while also providing comprehensive geographic coverage across Europe It incorporates recent historiographical trends and debates as part of the discussion and includes 13 images 9 maps and a range of primary source excerpts for classroom use It is an essential volume for all students of the history of nationalism in modern Europe and a useful text for anyone seeking to know more about modern European history in general **Frederick Douglass and Scotland, 1846** Pettinger Alasdair Pettinger,2018-11-14 The first full length study of Frederick Douglass visit to Scotland in 1846 Frederick Douglass 1818 95 was not the only fugitive from American slavery to visit Scotland before the Civil War but he was the best known and his impact was far reaching This book shows that addressing crowded halls from Ayr to Aberdeen he gained the confidence mastered the skills and fashioned the distinctive

voice that transformed him as a campaigner It tells how Douglass challenged the Free Church over its ties with the Southern plantocracy how he exploited his knowledge of Walter Scott and Robert Burns to brilliant effect and how he asserted control over his own image at a time when racial science and blackface minstrel shows were beginning to shape his audiences perceptions He arrived as a subordinate envoy of white abolitionists legally still enslaved He returned home as a free man ready to embark on a new stage of his career as editor and proprietor of his own newspaper and a leader in his own right Key Features First full length study of Frederick Douglass visit to Scotland in 1846 Reveals fresh information about and deepens our understanding of a major 19th century intellectual at a crucial stage in his political and professional development Subjects Douglass speeches and letters to close readings and situates them in the immediate context of their delivery and composition Demonstrates the extent to which Douglass was closely acquainted with Scottish literature history and current affairs Enhances our knowledge of Douglass as a performer his ability to read audiences and how he moved and influenced them
