**The Cry of Vertières** Jean-Pierre Le Glaunec, 2020-05-21 This book tells the story of the Battle of Vertières fought in 1803 between indigenous Haitian forces under the leadership of Jean Jacques Dessalines and a French expeditionary army commanded by Napoleon The battle marked the culmination of a thirteen year revolutionary struggle to end slavery and the dawn of an independent Haiti Yet despite its pivotal importance to the history of Haiti France and the Americas the Battle of Vertières has been struck from the record The Cry of Vertières is the first book length study of the battle drawing from an array of sources including military correspondence Haitian literature art and popular music The event itself is recounted in vivid detail it is a dramatic story of a volunteer army of former slaves seeking the promises of freedom and citizenship held out by the revolution defeating a colonial power determined to re-enslave them The book also examines why the history of the battle has been suppressed in France an act of erasure of a humiliating defeat and why it remains fragile even in Haiti Jean Pierre Le Glaunec explains that today Vertières is both a key lieu de mémoire that embodies reconciliation pride and strength for the Haitian people and a figure of speech exploited by politicians to reinforce their power Describing a decisive yet largely forgotten moment in the revolutionary history of the Americas The Cry of Vertières makes an essential contribution to the complex subjects of race memory colonialism and cultural nationalism in present day France and Haiti
