Robert M. La Follette, June 14, 1855--June 18, 1925 Belle Case La Follette, 1953 Robert M La Follette Carole Marsh, 2002-09-30 Robert La Follette was a major force during the Progressive Era of American history A fiery political leader he inspired many people and angered many people He had strong opinions and stuck to those opinions Fighting Bob will always be remembered in American politics These popular readers include easy to read information fun facts and trivia humor activities and a whole lot more They are great for ages 7 12 grades 2 6 because although simple these readers have substance and really engage kids with their stories They are great for social studies meeting state and national curriculum standards individual and group reading programs centers library programs and have many other terrific educational uses Get the Answer Key for the Quizzes Click [HERE](#) Robert M. La Follette, June 14, 1855-June 18, 1925 Belle Case La Follette, 1953 **The Education of an Anti-Imperialist** Richard Drake, 2013-12-19 Robert M La Follette 1855 1925 the Republican senator from Wisconsin is best known as a key architect of American Progressivism and as a fiery advocate for liberal politics in the domestic sphere But Fighting Bob did not immediately come to a progressive stance on foreign affairs In *The Education of an Anti Imperialist* Richard Drake follows La Follette's growth as a critic of America's wars and the policies that led to them He began his political career with conventional Republican views of the era on foreign policy avidly supporting the Spanish American and Philippine American Wars La Follette's critique of empire emerged in 1910 during the first year of the Mexican Revolution as he began to perceive a Washington Wall Street alliance in the United States dealings with Mexico La Follette subsequently became Congress's foremost critic of Woodrow Wilson fiercely opposing United States involvement in World War I Denounced in the American press as the most dangerous man in the country he became hated and vilified by many but beloved and admired by others La Follette believed that financial imperialism and its necessary instrument militarism caused modern wars He contended they were twin evils that would have ruinous consequences for the United States and its citizens in the twentieth century and beyond An excellent book As Drake fully documents La Follette's warnings about World War I profiteers and the lust for power were fully justified Then as now the American people were lied to by the government and media and manipulated into the stink and blood of war Mark Taylor The Daily Call Scholars will value the insights into La Follette's foreign policy education The Historian **War Against War** Michael Kazin, 2017-01-03 In this story of the movement that came close to keeping the United States out of the First World War Kazin brings us into the ranks of the largest most diverse and most sophisticated peace coalition up to that point in US history They came from a variety of backgrounds wealthy and middle and working class urban and rural white and black They mounted street demonstrations and popular exhibitions attracted prominent leaders from the labor and suffrage movements ran peace candidates for local and federal office and founded new organizations that endured beyond the cause For almost three years they helped prevent Congress from authorizing a massive increase in the size of the US army **The La Follettes of**

Wisconsin Bernard A. Weisberger, 2013-12-19 An intimate portrait of the Progressive movement and the revealing poignant story of a prominent American family The La Follettes of Wisconsin will charm fascinate and entertain its readers

Woodrow Wilson John Milton Cooper, Jr., 2011-04-05 The first major biography of America's twenty eighth president in nearly two decades from one of America's foremost Woodrow Wilson scholars A Democrat who reclaimed the White House after sixteen years of Republican administrations Wilson was a transformative president he helped create the regulatory bodies and legislation that prefigured FDR's New Deal and would prove central to governance through the early twenty first century including the Federal Reserve system and the Clayton Antitrust Act he guided the nation through World War I and although his advocacy in favor of joining the League of Nations proved unsuccessful he nonetheless established a new way of thinking about international relations that would carry America into the United Nations era Yet Wilson also steadfastly resisted progress for civil rights while his attorney general launched an aggressive attack on civil liberties Even as he reminds us of the foundational scope of Wilson's domestic policy achievements John Milton Cooper Jr reshapes our understanding of the man himself his Wilson is warm and gracious not at all the dour puritan of popular imagination As the president of Princeton his encounters with the often rancorous battles of academe prepared him for state and national politics Just two years after he was elected governor of New Jersey Wilson now a leader in the progressive movement won the Democratic presidential nomination and went on to defeat Theodore Roosevelt and William Howard Taft in one of the twentieth century's most memorable presidential elections Ever the professor Wilson relied on the strength of his intellectual convictions and the power of reason to win over the American people John Milton Cooper Jr gives us a vigorous lasting record of Wilson's life and achievements This is a long overdue revelatory portrait of one of our most important presidents particularly resonant now as another president seeks to change the way government relates to the people and regulates the economy

Fighting Son Jonathan Kasperek, 2016-07-15 Former Wisconsin governor Philip F La Follette forged a political path characterized by his progressive innovative vision Growing up in the shadow of revered senator Fighting Bob La Follette made for a politically charged childhood and laid the groundwork for Phil's emergence as a powerful figure in Wisconsin politics A gregarious and fiery politician Phil's efforts led to the passage of the country's first unemployment compensation act aid programs for workers and farmers and the reorganization of state government This approachable comprehensive book traces La Follette's journey through public office as well as his life after the waning of the Progressive era Phil La Follette's is a history of continuing progressivism of innovative solutions to social problems and of loyalty to a political ethos that goes far beyond love of country Kasperek's treatment of this Fighting Son is a monument not only to La Follette but to progressive politics in Wisconsin

Transatlantic Relations and the Great War Kurt Bednar, 2021-09-30 Transatlantic Relations and the Great War explores the relations between the Danube Monarchy of Austria Hungary and the modern US democracy and how that relationship developed over decades until it ended in a final rupture As the First World War drew to

a close in late 1918 the Mid European Union was created to fill the vacuum in Central and Eastern Europe as the old Danube Monarchy of Austria Hungary was falling apart One year before in December 1917 the United States had declared war on Austria Hungary and overnight huge masses of immigrants from the Habsburg Empire became enemy aliens in the US Offering a major deviation from traditional historiography this book explains how the countdown of mostly diplomatic events in that fatal year 1918 could have taken an alternative course In addition to providing a narrative account of Austrian Hungarian relations with the US in the years leading up to the First World War the author also demonstrates how an almost total ignorance of the affairs of the Dual Monarchy was to be found in the US and vice versa This book is a fascinating and important resource for students and scholars interested in modern European and US history diplomatic relations and war studies **Assembly Journal** Wisconsin. Legislature. Assembly,1923 **Congressional Directory** United States.

Congress,1887 **Belle and Bob La Follette** Bob Kann,2008-08-21 The most famous couple in Wisconsin politics Fighting Bob La Follette and his wife Belle Case La Follette come to life in the pages of the newest addition to the Badger Biographies series for young readers In an accessible format that includes historic images a glossary of terms and sidebars explaining political concepts students learn about Progressive politics and reform in the early 20th century through the experiences of this pioneering couple The father of Progressive politics Bob La Follette was famous for digging in his heels when it came to reforming government corruption He also gained a reputation for fiery speeches on the campaign trail and on the Senate floor Belle La Follette was political in her own right The first woman to graduate from the University of Wisconsin s Law School she was an advocate for world peace and an agitator for the women s vote She was also Bob s most trusted political advisor Together the couple raised a family and fought for the changes they believed would make the world a better place

The New Age Magazine ,1926 The Rich Don't Always Win Sam Pizzigati,2012-11-27 The Occupy Wall Street protests have captured America s political imagination Polls show that two thirds of the nation now believe that America s enormous wealth ought to be distributed more evenly However almost as many Americans well over half feel the protests will ultimately have little impact on inequality in America What explains this disconnect Most Americans have resigned themselves to believing that the rich simply always get their way Except they don t A century ago the United States hosted a super rich even more domineering than ours today Yet fifty years later that super rich had almost entirely disappeared Their majestic mansions and estates had become museums and college campuses and America had become a vibrant mass middle class nation the first and finest the world had ever seen Americans today ought to be taking no small inspiration from this stunning change After all if our forbears successfully beat back grand fortune why can t we But this transformation is inspiring virtually no one Why Because the story behind it has remained almost totally unknown until now This lively popular history will speak directly to the political hopelessness so many Americans feel By tracing how average Americans took down plutocracy over the first half of the 20th Century and how plutocracy came back The Rich Don t Always Win will outfit
