

An abstract painting by Roberto Tabbush, featuring a horizontal division. The upper half is a dark, textured blue, while the lower half is a lighter, textured blue-grey. A thin, dark horizontal line separates the two sections. The overall effect is a sense of depth and movement, with visible brushstrokes and a rich, layered texture.

Body of One's Own places the histories of trans bodies at the core of modern Argentinian history. Patricio Simonetto documents the lives of people who crossed the boundaries of gender from the early twentieth century to the present. Based on extensive archival research in public and community-based archives, this book explores the mainstream medical and media portrayals of trans or travesti people, the state policing of gender embodiment, the experiences of those transgressing the boundaries of gender, and the development of homemade technologies from prosthetics to the self-injection of silicone. A Body of One's Own explores how trans activists challenge the exclusionary effects of Argentina's legal, cultural, social, and political cisgender order, led to the passage of the Gender Identity Law in 2012. Analyzing the decisive yet overlooked impact of gender transformation in the formation of the nation-state, gender belonging, and citizenship, this book ultimately shows that supposedly abstract struggles to define the shifting notions of sex, citizenship, and nationhood are embodied material experiences.

Gender and the Politics of Gradual Change Silke Staab, 2017-01-20. This book explores recent social policy reforms and innovations in Chile. Focusing on four major reform episodes: health, pensions, childcare, and maternity leave, Silke Staab unveils the complex interplay of factors that have shaped the successes and failures of actors pursuing positive gender change in social policy. She shows that even in highly constrained settings, positive gender change is possible, but that its scope and quality are bound to vary in response to sector-specific institutional constraints and opportunities.
