The Film Daily Year Book of Motion Pictures, 1964 **The ... Film Daily Year Book of Motion Pictures**, 1929 **The 1945 Film Daily Year Book of Motion Pictures**, 1945 **Chaucer and the Making of English Poetry, Volume 2** P. M. Kean, 2019-09-23 Originally published in 1972 This important work of Chaucerian scholarship deals with two aspects of the poet and his work his individual achievement and his place in history and demonstrates that in both these senses Chaucer is a maker of English poetry The author explores Chaucer's narrative art The book includes an examination of the puzzling question of narrative structure in the Canterbury Tales and of the nature of Chaucerian comedy in these works The author surveys the major themes of the poems Fortune and free will marriage and the nobleness of man In the final chapter she treats of the meaning of Chaucer's art for his successors Throughout the work Miss Kean deals extensively with the sources which Chaucer used for the writing of his poems in a way which directs light on the more difficult aspects of his art **Children's Books in Print** R R Bowker Publishing, Bowker, 1999-12 **Shorthorn World and Farm Magazine**, 1919 **The Shorthorn World and Farm Magazine**, 1919 **Order, Contestation and Ontological Security-Seeking in the South China Sea** Anisa Heritage, Pak K. Lee, 2020-01-22 This book examines the South China Sea territorial disputes from the perspective of international order The authors argue that both China and the US are attempting to impose their respective preferred orders to the region and that the observed disputes are due to the clash of two competing order building projects Ordering the maritime space is essential for these two countries to validate their national identities and to achieve ontological security Because both are ontological security seeking states this imperative gives them little room for striking a grand bargain between them The book focuses on how China and the US engage in practices and discourses that build contest and legitimise the two major ordering projects they promote in the region It concludes that China must act in its legitimisation strategy in accordance with contemporary publicly accepted norms and rules to create a legitimate maritime order while the US should support ASEAN in devising a multilateral resolution of the disputes **Within Our Gates** Alan Gevinson, 1997
