Where the White Rose Blooms Susan Stuart Touchstone, 2018-08-09 BOOK ONE is a profile of Charles Edward Louis John Casmir Sylvester Maria Stuart The fact that the Bonnie Prince was such a controversial figure of his time makes it hard to glean an accurate picture of his character and personality and to know when we have succeeded The best we can hope for is that the better perspective offered by the intervening years may be of some help Since some of the more extreme pro and con feelings have passed away with the years we can now sort some of the facts from the surfeit of emotions of those who wrote From all accounts it is evident that Prince Charles was conscious of his important position in life and at an early age and with remarkable will showed his determination to be prepared for any fate BOOK TWO is a profile of the Stuart family whose ancestor mysteriously showed up in the New World as an infant with a royal legacy Circumstantial evidence and the confession of a Scottish doctor are powerful indications that the infant was the son and heir of Prince Charles Stuart The arrival in America of an infant with a royal legacy is significant within itself but when linked with the fact that he arrived bearing the prince's name and within the early years of his marriage it becomes more significant The lovely book cover of Where the White Rose Blooms was created by Thomas D Stuart

*The Hope Chest* Viola Shipman, 2017-03-21 Saugatuck MI springs to life in this nostalgic gentle story of lifelong love along with the emotional support and care that families and friends can provide Library Journal The discovery of one woman's heirloom hope chest unveils precious memories and helps three people who have each lost a part of themselves find joy once again Ever since she was diagnosed with ALS fiercely independent Mattie doesn't feel like herself She can't navigate her beloved home she can't go for a boat ride and she can barely even feed herself Her devoted husband Don doesn't want to imagine life without his wife of nearly fifty years but

Mattie isn't likely to make it past their anniversary. But when Rose, Mattie's new caretaker, and her young daughter Jeri enter the couple's life, happiness and the possibility for new memories return. Together they form a family, and Mattie is finally able to pass on her memories from the hope chest she received from her mother. With each item, including a favorite doll, family dishes, an embroidered apron, and an antique Christmas ornament, the hope chest connects Mattie, Don, and Rose to each other and helps them find hope again in the face of overwhelming life challenges.
