Lies, Damned Lies and History Graeme Donald, 2010-12-26 From cats spats and catacombs to the Wall Street shuffle this book looks at how historical events didn't always unfold as we think they did It takes the readers on a journey century by century showing how the truth we take for granted is a far cry from the facts It is suitable for those who want to see the past as it was

Thanatourism Tony Johnston, Pascal Mandelartz, 2015-10-30 Thanatourism is an important new overview of the growing field It introduces more rigorous scholarship new philosophical perspectives and a wealth of empirical material on the contemporary and historical consumption of death with case studies designed to stretch and challenge current discourse

The Book of Beasts Andrew Screen, 2023-10-05 Nigel Kneale is perhaps best known for his pioneering work in television fantasy notably the creation of Quatermass and his landmark adaptation of George Orwell's 1984 for the BBC This book is the first in depth study of another arguably lesser known but equally as important Kneale creation the 1976 Folk Horror anthology television series Beasts Each of the six episodes of Beasts was a standalone supernatural drama exploring themes and ideas prevalent throughout Kneale's work all within the confines of a lowly British television budget From pilot episode Murrain to cult favourite Baby Beasts charted an uncanny British landscape where the ghost of a dolphin haunts an aquarium and a supermarket is plagued by a mysterious animalistic presence In researching and writing this book author Andrew Screen was given rare access to Kneale's original scripts and production paperwork and provides an exclusive account of Kneale's trials and tribulations in developing the series There are also interviews with members of cast and crew a discussion of episode treatments that were prepared but never realised and the reasons why Kneale abandoned these at an early stage Moreover each storyline is contextualised with real life developments and events exploring the mythological and cultural inspirations that place the series within its immediate historical framework Written with full permission from the Kneale estate THE BOOK OF BEASTS is a comprehensive overview of a cult television series and its enduring impact on viewers today With a foreword by Johnny Mains

A sense of place Lez Cooke, 2018-02-28 This pioneering study examines regional British television drama from its beginnings on the BBC and ITV in the 1950s to the arrival of Channel Four in 1982 It discusses the ways in which regionalism regional culture and regional identity have been defined outlines the history of regional broadcasting in the UK and includes two detailed case studies of Granada Television and BBC English Regions Drama representing contrasting examples of regional television drama during what is often described as the golden age of British television The conclusion brings the study up to date by discussing recent developments in regional drama production and by considering future possibilities Written in a scholarly but accessible style the book uncovers a forgotten history of British television drama that will be of interest to lecturers and students of media and cultural studies as well as the general reader with an interest in the history of British television

Science By Simulation - Volume 1: A Mezze Of Mathematical Models Andrew French, 2022-05-30 A Mezze of Mathematical Methods is Volume 1 of Science by Simulation It is a recipe

book of mathematical models that can be enlivened by the transmutation of equations into computer code In this volume the examples chosen are an eclectic mix of systems and stories rooted in common experience rather than those normally associated with constrained courses on Physics Chemistry or Biology which are taught in isolation and susceptible to going out of date in a few years Rather than a what of Science this book is aimed at the how readily applied to projects by students and professionals Written in a friendly style based upon the author s expertise in teaching and pedagogy this mathematically rigorous book is designed for readers to follow arguments step by step with stand alone chapters which can be read independently This approach will provide a tangible and readily accessible context for the development of a wide range of interconnected mathematical ideas and computing methods that underpin the practice of Science A Plague Year Edward Bloor,2011 A ninth grader who works with his father in the local supermarket describes the plague of meth addiction that consumes many people in his Pennsylvania coal mining town from 9 11 and the nearby crash of United Flight 93 in Shanksville to the Quecreek Mine disaster in Somerset the following summer The Women of Troy Euripides,2024-05-30 There s no decent way to say an indecent thing An industrial port of a war torn city Women survivors wait to be shipped abroad Officials come and go A grandmother once queen watches as her remaining family are taken from her one by one The city burns around them First performed in 415BC the play focuses on the human cost of war and the impact of loss This new Student Edition of The Women of Troy includes a commentary and notes by Emma Cole which looks at the Trojan War as represented in Greek literature and myth the context in which Euripides was writing and within which the play was first performed how it would have been originally staged and dramaturgical challenges met as well as recent performance history of the play including Katie Mitchell s iconic 2007 production at the National Theatre Euripides great anti war play is published here in Don Taylor s classic translation **Upstairs and Downstairs** James Leggott,Julie Anne Taddeo,2014-12-11 The international success of Downton Abbey has led to a revived interest in period dramas with older programs like The Forsyte Saga being rediscovered by a new generation of fans whose tastes also include grittier fare like Ripper Street Though often criticized as a form of escapist conservative nostalgia these shows can also provide a lens to examine the class and gender politics of both the past and present In Upstairs and Downstairs British Costume Drama Television from The Forsyte Saga to Downton Abbey James Leggott and Julie Anne Taddeo provide a collection of essays that analyze key developments in the history of period dramas from the late 1960s to the present day Contributors explore such issues as how the genre fulfills and disrupts notions of quality television the process of adaptation the relationship between UK and U S television and the connection between the period drama and wider developments in TV and popular culture Additional essays examine how fans shape the content and reception of these dramas and how the genre has articulated or generated debates about gender sexuality and class In addition to Downton Abbey and Upstairs Downstairs other programs discussed in this collection include Call the Midwife Danger UXB Mr Selfridge Parade s End Piece of Cake and Poldark

Roses Of Eyam The: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have enthralled audiences this year. Roses Of Eyam The : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
