Book Prices: Used and Rare, 1994 Edward N. Zempel, 1994 *Huxford's Old Book Value Guide* Bob Huxford, 1991 Nearly 25 000 titles with current values fill this hardbound book Much more than just a typical price guide the book is a directory with scores of actual buyers listed by the subject matter they are searching for as well as dealers offering the books at listed prices It will put you in touch with a person interested in buying or selling the books you have piled on your bookshelves **Fiction, 1876-1983: Titles** R.R. Bowker Company. Department of Bibliography, R.R. Bowker Company. Publications Systems Department, 1983 *Remembering the Past in Contemporary African American Fiction* Keith Byerman, 2006-05-18 With close readings of more than twenty novels by writers including Ernest Gaines Toni Morrison Charles Johnson Gloria Naylor and John Edgar Wideman Keith Byerman examines the trend among African American novelists of the late twentieth century to write about black history rather than about their own present Employing cultural criticism and trauma theory Byerman frames these works as survivor narratives that rewrite the grand American narrative of individual achievement and the march of democracy The choice to write historical narratives he says must be understood historically These writers earned widespread recognition for their writing in the 1980s a period of African American commercial success as well as the economic decline of the black working class and an increase in black on black crime Byerman contends that a shared experience of suffering joins African American individuals in a group identity and writing about the past serves as an act of resistance against essentialist ideas of black experience shaping the cultural discourse of the present Byerman demonstrates that these novels disrupt the temptation in American society to engage history only to limit its significance or to crown successful individuals while forgetting the victims **The New York Times Book Review**, 1995-09 **Black American Literature Forum**, 1988 Provides image and full text online access to back issues Consult the online table of contents for specific holdings **The Georgia Review**, 2012 **Jessie & Jesus & Cousin Claire** Raymond Andrews, 1994-05-03 Jessie and Claire make their unique mark on the rural South Look out Here come Jessie Mitchell Blackshear and her equally dangerous double Cousin Claire Sexy smart and sassy these powerful Black women survive and thrive in the male dominated world of the rural South Thoroughly different and equally dedicated to getting their

way Jessie and Claire will entertain and amaze you if they don't swallow you whole In these two hilarious and hair raising novellas Raymond Andrews has painted portraits of two very different black women whose means and modes of manipulation are mirror opposites of each other but whose motivations are frighteningly similar The results and their impact on those around them are equally profound Welcome to the darkly comic world of Jessie Jesus Cousin Claire vividly presented in the rambunctious and rollicking prose of a master storyteller and inspired seer into human nature Published shortly before Andrews's death in 1991 Jessie Jesus Cousin Claire won a 1992 American Book Award Victims and Heroes Jerry H.
