Untiedt,2017-12-15 There is sometimes a fine line between history and folklore This Publication of the Texas Folklore Society features articles that tell stories about real life characters from the

historical past of Texas as well as offer personal reflections about life from diverse perspectives throughout the last century. These contributors go beyond merely stating facts about dates or locations or names of the events and people that can be found in court documents or genealogical records; several of these authors provide a very intimate connection to the tales they share. These articles are not just about people that we read about as school children and they do not merely describe how our culture used to be or how vastly it has changed; rather, they emphasize the ways we keep our culture alive through the retelling of the events and customs and major figures that are important enough to pass on from one generation to the next. The first section covers legendary characters like Davy Crockett, Mody Boatright, Sam Houston, and Cynthia Ann Parker from our state's past as well as people who were bigger or bolder than others yet seem to have been forgotten. Some of those characters came from different countries while others are connected directly to our Texas Folklore Society family tree. The second section includes works that examine songs of our youth as well as the customs and social constructs associated with music, whether it's on a football field or in a prison yard. The works in the final section recall memories of a simpler time when cars and home appliances lacked modern conveniences we now take for granted, before Facebook and YouTube allowed us to become Internet movie stars and when it was a treat just to go and visit with family and friends.

Play Life in the First Eight Years Luella Angelina Palmer, 1916 **The Lore of the Playground** Steve Roud, 2010-10-31 From conkers to marbles from British Bulldog to tag, not forgetting one potato, two potatoes, and eeny meeny miny mo, The Lore of the Playground looks at the games children have enjoyed, the rhymes they have chanted, and the rituals and traditions they have observed over the past hundred years and more. Each generation it emerges has had its own favourites: hoops and tops in the 1930s, clapping games more recently. Some pastimes, such as skipping, have proved remarkably resilient; their complicated rules carefully handed down from one class to the next. Many are now the stuff of distant memory. And some traditions have proved to be strongly regional, loved by children in one part of the country, unknown to those elsewhere. All are brilliantly and meticulously recorded by Steve Roud, who has drawn on interviews with hundreds of people aged from 8 to 80 to create a fascinating picture of all our childhoods.

Ring a Ring of Roses Randall Scott, 2006-09 Police detective Robert Bailey, the world-weary veteran, and Alexandra Tyler, his beautiful, energetic partner, struggle to solve a series of staggeringly brutal murders. They discover a frightening link to the bubonic plague. Bailey and Tyler must also capture a sociopath and his two accomplices who are terrorizing the community with their own brand of cruelty. Jake's hand stopped in mid-swing. He slowly reached out and held her head with both hands and wiped the blood and tears from under her eyes with his thumbs. The room was deathly quiet. The only sound was Rachel's sniffles and coughs. Jake first turned his head toward Trigger and then at Pooch and said she's sorry. Jake smiled at Pooch and Pooch smiled at Jake. Discover the complicated, caring, often humorous relationship between Bailey and Tyler. A ruminant is a hoofed animal that chews cud and has a complex three or four-chambered stomach, said Bailey. Look, who you date is your business, Bobby. Some books are read over several days or weeks.

or months In this case be sure you set aside a weekend before you begin Ring a Ring of Roses because you will not put it down until its exciting climactic ending *A Dictionary of British Folklore, 2* George Laurence Gomme, 1898
