When We Have Sufficiently Tortured Each Other Martin Crimp, 2019-01-31 Go on then lock the doors and see what happens Show me how much power you really have When We Have Sufficiently Tortured Each Other breaks through the surface of contemporary debate to explore the messy often violent nature of desire and the fluid complicated roles that men and women play Using Samuel Richardson s novel Pamela as a provocation six characters act out a dangerous game of sexual domination and resistance When We Have Sufficiently Tortured Each Other premiered at the National Theatre London in January 2019 **American Girls and Global Responsibility** Jennifer Helgren, 2017-04-17 American Girls and Global

Responsibility brings together insights from Cold War culture studies girls studies and the history of gender and militarization to shed new light on how age and gender work together to form categories of citizenship Jennifer Helgren argues that a new internationalist girl citizenship took root in the country in the years following World War II in youth organizations such as Camp Fire Girls Girl Scouts YWCA Y Teens schools and even magazines like Seventeen She shows the particular ways that girls identities and roles were configured and reveals the links between internationalist youth culture mainstream U S educational goals and the U S government in creating and marketing that internationalist girl thus shaping the girls sense of responsibilities as citizens The Jailer of Souls and Other Weird Tales Various, 2023-07-10 The Jailer of Souls and Other Weird Tales is a compelling anthology that weaves together stories of psychological horror existential dread and the uncanny reflecting the literary traditions of early 20th century weird fiction Each tale delves into the depths of the human psyche exploring themes of isolation madness and the supernatural through a richly evocative prose style The collection draws from a multitude of voices capturing the zeitgeist of an era when literature began to question the boundaries

of reality and the human condition pushing the reader towards a chilling understanding of what lurks beneath the surface of ordinary life The diverse group of authors featured in this anthology each with their unique backgrounds and influences creates a tapestry of narratives that echo the anxieties of their time Many were influenced by the rapid societal changes and the philosophical questions posed by emerging modernist thought Their experiences from the turmoil of war to the disillusionment of civilization inform the dark imaginings that populate this collection transforming personal fears into universal tales of the uncanny I highly recommend *The Jailer of Souls and Other Weird Tales* to both aficionados of horror and newcomers to weird fiction This anthology not only provides a rich exploration of the genre but also serves as a mirror reflecting our deepest fears and curiosities These tales beckon readers to confront their own souls while navigating the eerie corridors of imagination
