The System of Antichrist Charles Upton, 2005 The System of Antichrist examines the present religious and cultural scene from the standpoint of traditional metaphysics and critiques the New Age spiritualities within their postmodern context Its many references to Rene Guenon and Frithjof Schuon also help introduce these important but little known traditionalist thinkers The book presents lore relating to the latter days of the present cycle from the vantage point of comparative religion drawing upon relevant doctrines from Buddhism Hinduism Judaism Christianity Islam Zoroastrianism and the Native American traditions It also speculates upon the social psychic and spiritual nature of that being known to Christianity Judaism and Islam as the Antichrist presenting him as both an individual and a system and warning those willing to be warned against the spiritual seduction and terror he represents and against the regime which will be and is the social expression of that seduction and that terror Finally in tracing the roots of Antichrist in the fallen nature of man the author sketches the particular quality of spirituality proper to apocalyptic times the dangers it faces the unique opportunities open to it And along the way he describes his own course from the spiritual revolution of the 1960s through the world of New Age spiritualities to the threshold of traditional esoterism and metaphysics As he says speaking of the angst that characterizes the modern world The specific medicine for the shock of despair is the deeper shock of meaning Nothing but the weight of eternity breaking through the thin brittle shell of the postmodern sky can set us on our feet

Cracks in the Great Wall Charles Upton, 2005 Can we really know what UFO s are The answer is Yes but only if we study them armed with a kind of knowledge that explains the true and complete structure of the universe spiritual psychic and material a knowledge that only traditional metaphysics can provide Science can supply one piece of the puzzle detective work another psychic investigation still another But only metaphysics can put the puzzle together and give us a complete and satisfying picture of the UFO phenomenon Cracks in the Great Wall analyzes of the findings of UFO researcher Jacques Vallee and some of his colleagues in light of the teachings of Ren Gu non

particularly as expressed in his prophetic masterpiece *The Reign of Quantity and the Signs of the Times* According to Gu non one of the signs of the End Times is the erosion of the energy barrier or Great Wall between the material plane and the world of subtle realities which is why our world is now being invaded by infra psychic forces of a terribly destructive nature Author Charles Upton shows how one of the most obvious examples of this invasion is the UFO phenomenon including the experience of alien abduction A lifetime student of comparative religion and mysticism he explains the true nature of UFOs the quality of the world they come from and also something about the agenda these beings or some of them are trying to impose upon our world If you want to remain merely mystified or fascinated by the UFO phenomenon this book is not for you But if you want to understand it *Cracks in the Great Wall* will give you the conceptual tools you need With the help of UFOlogists Jacques Vallee and John E Mack Christian writers C S Lewis and Seraphim Rose Kaballah authority Leo Schaya and traditionalist writers Ren Gu non and Whitall Perry Charles Upton has provided the most comprehensive explanation of the UFO phenomenon yet written It is difficult to be objective in areas outside our collective view of reality but if as the author contends his argument is based on sound principles it deserves serious consideration by all who are interested in the UFO phenomenon and its effect on our world Charles Upton is a serious writer from whom I have learned much His writing deserves close attention Prof Huston Smith author of *The World's Religions* etc **Invoking the Beyond:** Paul D.

Collins, Phillip D. Collins, 2020-11-22 The Gnostic revival of the Enlightenment witnessed the erection of what could be called the Kantian Rift an epistemological barrier between external reality and the mind of the percipient Arbitrarily proclaimed by German philosopher Immanuel Kant this barrier rendered the world as a terra incognita Suddenly the world out there was deemed imperceptible and unknowable In addition to the outer world the cherished metaphysical certainties of antiquity the soul a transcendent order and God swiftly evaporated The way was paved for a new set of modern mythmakers who would populate the world out there with their own surrogates for the Divine Collectively these surrogates could be referred to as the Beyond because they epistemologically and ontologically overwhelm humanity In recent years the Beyond has been invoked by theoreticians literary figures intelligence circles and deep state operatives who share some variant of a technocratic vision for the world In turn these mythmakers have either directly or indirectly served elitist interests that have been working toward the establishment of a global government and the creation of a New Man Their hegemony has been legitimized through the invocation of a wrathful earth goddess a technological Singularity a superweapon and extraterrestrial gods All of these are merely masks for the same counterfeit divinity the Beyond **UFO Headquarters** Susan

Wright, 1998-08-15 The government said it need Area 51 to protect America They said they needed it for research Now some say it has all been a terrible lie In the annals of UFO controversies there has never been a place like this sixty square miles of desert and scrub just north of Las Vegas Nevada Officially known as a U S Air Force testing ground this area has accounted for more UFO sightings and more inexplicable activity than any other in the world leading experts to dub Area 51 Earth's

unofficial UFO headquarters Now UFO writer Susan Wright seeks to answer the riddle once and for all delving into previously secret government documents drawing on eyewitness accounts and ripping the veil of secrecy off Area 51 and the research that really goes on there The result is the most shocking and thoroughly documented UFO book you have ever read a book that demonstrates that for fifty years the U S government has had one overriding policy on Area 51 whenever confronted with suspicions facts or photographs conceal deny and lie
