WHAT S in a name asks Shakespeare The answer when the name is such as Rothschild is not difficult There is a volume of meaning in its mere sound It is a name which conjures up in the imagination visions of untold wealth and unrivalled power which appear so startling and amazing as to be more appropriate to romance than real life It has become a household word synonymous with unbounded riches and is as familiar to the ears of the struggling artisan as to those of the banker or trader No name has indeed been so prominently before the public during the last sixty years or more as that of this great financial firm Its origin was so shrouded in humble obscurity and the rapidity with which it sprang forward to prosperity and fame was alike so extraordinary and so remarkable that the public gaze has been kept by a species of fascination upon the movements of the well known financiers From one corner of the world to the other the success of the Rothschilds has been the subject of universal wonder and envy When we recollect the poor beginnings of this eminent firm and contrast them with the exalted position it now holds there is good reason to be surprised History does not record another instance of such unparalleled success of such immense fortunes won in such a short time by sheer force of intellect rising superior to all adverse circumstances     *The Reign of the House of Rothschild* Conte Egon Caesar Corti,1928     Summary of Jewish Space Lasers by Mike Rothschild GP SUMMARY,2023-09-23
