Vanderbilt, 1999-01-01 Writer F. Scott Fitzgerald's career itself is a metaphor for the vagaries of book publishing If Fitzgerald would have had his way we would today refer to *The Great Gatsby* as either *Gold Hatted Gatsby* or *Trimalchio in West Egg* or *The High Bouncing Lover* A few years before *Gatsby* Fitzgerald had become a literary sensation at the age of 23 Helen Hooven Santmyer a contemporary of Fitzgerald's would not have a successful novel published until she was 88 and living in a nursing home In this book the author explores that mysterious place in publishing where art and commerce can either clash mesh or both Along the way a wide range of authors from the literary greats to today's commercial superstars editors agents and publishers share their thoughts insights and experiences What inspires writers John Steinbeck for example wrote every novel as if it were his last as if death were imminent Why are some books successful and appreciated while others fall into oblivion The answers are often elusive never absolute but the stories and anecdotes are always fascinating *Write-A-Thon* Rochelle Melander, 2011-09-20 Find the focus energy and drive you need to start and finish your book Everyone has dreamed of writing a book but so many start writing only to stall out due to writer's block mental fatigue and other challenges *Write A Thon* helps you overcome those stumbling blocks and complete your book once and for all And you don't have to type away for years on end Here's a plan that'll help you write your book in twenty six days *Write A Thon* gives you the tools advice and inspiration you need to succeed before during and after your writing race Solid instruction positive psychology and inspiration from marathon runners will give you the momentum to take each step from here to the finish line Start out well prepared Learn how to train your attitude your writing and your life and plan your novel or nonfiction book Maintain your pace Get advice and inspiration to stay motivated and keep writing Bask in your accomplishment Find the best ways to recover and move forward once the marathon is over and you have a completed manuscript in hand Writing a book in twenty six days may seem impossible especially if you don't write full time but in *Write A Thon* Rochelle Melander will teach you the life skills performance techniques and writing tools you need to finish your manuscript in less than a month guaranteed
