Rottweiler El:

Rottweiler Wilhelm Jönas, 2009 La información más completa sobre los orígenes, el temperamento, características, adiestramiento, concursos, cuidados y salud de esta raza. **El Doberman** Valeria Rossi, 2018-10-29 El doberman es un perro magnífico, sensible, cariñoso con la familia y muy bueno con los niños. Pero de dónde le viene la fama de perro agresivo. No hay por qué alarmarse si se compra con criterio y se educa en su debido momento y con el método adecuado, el doberman nunca morderá. Como se elige el cachorro. Dónde se puede comprar. Es conveniente pedir siempre el pedigrí. La autora responde exhaustivamente a todas estas importantes cuestiones: la separación de la madre y los hermanos, la adaptación a la familia y al nuevo hogar, la primera educación para la vida dentro de casa. La educación mediante el juego es fundamental para que las primeras experiencias con el collar y la correa sean positivas. El adiestramiento elemental sirve para que el doberman obedezca a unas órdenes básicas. El cachorro crece y podemos hacerle algún test especial para el perro joven que nos permite valorar sus capacidades. La alimentación adecuada para cada edad. Los problemas de salud. Saber cuándo el perro no se encuentra bien. Los primeros auxilios. La reproducción. La relación con los niños. Un libro guía con muchas ilustraciones que se anticipa a todas las preguntas y que ofrece las mejores respuestas. Scenes from la Cuenca de Los Angeles y otros Natural Disasters Susana Chávez-Silverman, 2010-04-27 This is a rarity in contemporary writing: a truly bilingual enterprise as in Susana Chávez Silverman's previous memoir *Killer Crónicas*. Chávez Silverman switches between English and Spanish, creating a linguistic mestizaje that is still a surprise encounter in the world of letters today, and the author forms one of a small but growing band of writers to embrace bilingualism as a literary force. Also like *Killer Crónicas*, each chapter in *Scenes from la Cuenca de Los Angeles* is a crónica, a vignette that began as intimate diary entries and e-mails and letters to lovers, friends and ghosts from the past. These episodic chapters follow the Chávez Silverman's personal history from California to South Africa and Australia and back from unfathomable loss to deeply felt joy. Readers drawn into this witty book will confront their own conceptions of boundaries, borders, languages, memories and spaces. Honorable Mention, Best Biography in Spanish or Bilingual, International Latino Book Awards. **Pyromancy (English Edition)** Gonzalo López Pardo, 2022-08-26 An original, high-caliber thriller in which Chile's main port is the ash-covered witness to lives lost before succumbing once again to the flames. Perhaps this time for good. *Pyromancy*, the new novel by Gonzalo López Pardo, Valparaíso always burns. There has been much speculation about the intentionality of those disasters without pointing the finger at anyone in particular, although arsonists and drug traffickers are named so far; their presence is a ghostly one. In *Pyromancy*, López Pardo delves into the nooks and crannies of that story and, despite the fear points to the culprits, believes it or not, López Pardo's writing presents new airs within genre literature with a special interest in unraveling forgotten stories and the magic of the end of the world. His references include Borges, Rulfo and Colomán. He also declares his admiration for the anime genius Hayao Miyazaki. **La Diferencia entre el Juego y el Azar.**, El negocio de la impunidad Luis Gasulla, 2014-09-01 Los olvidados, estafados y
