Rouge Of The North:

The Rouge of the North Eileen Chang, 2023-04-28 The Rouge of the North is the story of Yindi a beautiful young bride who marries the blind bedridden son of a rich and noble family Captive to household ritual to the strategies and contempt of her sisters in law and to the exacting dictates of her husband's mother Yindi is pressed beneath the weight of an existence that offers no hope of change Dramatic events in the outside world fail to make their way into this insular society Chang's brilliant portrayal of the slow suffocation of passion moral strength and physical vitality together with her masterful evocation of the sights smells and sounds of daily existence make The Rouge of the North a remarkable chronicle of a vanished way of life

The Rouge of the North Ailing Zhang, 1998-08-10 Relates the events in the life of a Chinese lower class woman trapped within the confines of an unhappy arranged marriage resulting in her gradual descent into madness

Zucker, 2013-04-30 In a village community in the highlands of Cambodia's Southwest people struggle to rebuild their lives after nearly thirty years of war and genocide Recovery is a tenuous process as villagers attempt to shape a future while contending with the terrible rupture of the Pol Pot era Forest of Struggle tracks the fragile progress of restoring the bonds of community in O Thmaa and its environs the site of a Khmer Rouge base and battlefield for nearly three decades between 1970 and 1998 Anthropologist Eve Zucker's ethnographic fieldwork 2001 2003 2010 uncovers the experiences of the people of O Thmaa in the early days of the revolution when some villagers turned on each other with lethal results She examines memories of violence and considers the means by which relatedness and moral order are re-established comparing O Thmaa with villages in a neighboring commune that suffered similar but not identical trauma Zucker argues that those differing experiences shape present ways of healing and making the future Events had a devastating effect on the social and moral order at the time and continue to impair the remaking of sociality and civil society today impacting villagers responses to changes in recent years More positively Zucker persuasively illustrates how Cambodians employ indigenous means to reconcile their painful memories of loss and devastation This point is noteworthy given current debates on recovery surrounding the Khmer Rouge Tribunal Forest of Struggle offers a compelling case study that is relevant to anyone interested in post conflict recovery social memory the anthropology of morality and violence and Cambodia studies

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
