Donald S. Hair

Rough In Brutal Print The Legal Sources Of Brownings Red Cotton Night Cap Country:

Rough in Brutal Print Mark Siegchrist,1981 Robert Browning's Language Donald S. Hair,1999-12-15 What are the influences that shaped the language used by one of the nineteenth century s greatest writers How did his religious beliefs the books he owned the paintings and music he loved affect almost sixty years output of poems plays essays and letters This book attempts to define Browning s understanding of the nature and use of words and syntax by considering not only a full range of texts from the 1833 Pauline to the 1889 Asolando but also the ideas important to Browning the historical context in which he lived and the other artistic passions that played a part in his life In this companion volume to Tennyson s Language Donald Hair establishes Browning s place at the crossroads between empirical and idealist traditions and explains his double view of language arguing that both Locke and the Congregationalists found language to be at the same time empty and a God given essential The Victorian age s anti theatrical bias which Browning came to share and his reading of predecessors principally Quarles Bunyan Donne and Smart also shaped his understanding of the diction of poetry Hair conceives of Browning s language as a theoretical whole encompassing words genres rhyme syntax and phonetics He also links Browning s interest in music with his rhyming the most essential and characteristic feature of his prosody and relates his interest in painting to the interpretation of the visual image in the emblem and in typology Robert Browning Stefan Hawlin,2012-09-10 Accessibly written throughout this guidebook covers biographical details information on the historical and social contexts of Browning s work an overview of the full range of his work and a survey of the major critical debates surrounding him and his work

Victorian Suicide Barbara Gates,2014-07-14 When Viscount Castlereagh leader of the House of Commons and architect of the Grand Alliance committed suicide in 1822 the coroner s inquest could consider only two legal verdicts insanity or self murder Public outrage greeted his burial in Westminster Abbey the tradition lingered that a suicide s burial place be at a crossroads with a stake through the heart to keep the lost soul from wandering Probing a remarkable variety of sources and individual cases Barbara Gates shows how attitudes toward suicide changed between Castlereagh s death and the end of the century By 1900 the Victorians moral censure of suicide and the accompanying denial that it was a widespread problem had been replaced by a more compassionate response and also by an unfounded belief in a suicide epidemic which Thomas Hardy described as a coming universal wish not to live Exposing a rich area of interaction between history and literature and utilizing the methodology of the new historicism Gates discusses topics ranging from the plot for Wuthering Heights to Victorian shilling shockers Among other findings she includes evidence that Victorian middle class men particularly tended to make suicide the province of other selves of men belonging to other times or places of monsters or of women Originally published in 1988 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the

Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Palgrave Literary Dictionary of Robert Browning
 Martin Garrett, 2025-09-26 This literary dictionary provides a concise reference guide to Robert Browning Alphabetical entries cover his revolutionary poetics drama long narrative poems writing on relations between the sexes and translation and adaptation from classical works Browning was keenly aware of contemporary politics especially French and Italian and his reading was vast and esoteric his subjects drawn from medieval and Renaissance history and art history newspapers even advertisements He knew Carlyle George Eliot George Sand Thackeray the Rossettis Hawthorne and Henry James and had complex and difficult relationships with Dickens and with the tragic actor William Charles Macready He was more intimately associated with Tennyson and above all with Elizabeth Barrett Browning whose work character and opinions were one of the most significant influences on him The dictionary also explores his changing critical reputation an obscure generally badly received or ignored young writer a public figure and much anthologised poet in whose honour a Browning Society was founded in 1881 after another period of neglect an experimental poet psychologically sensitive and the subject of a wide range of scholarly editions and discussion *Studies in Language and Literature* ,1990 *Influence and Resistance in Nineteenth-Century English Poetry* G. Kim Blank, Margot K. Louis, 1994-01-12 To what extent is the distinction between Romantic and Victorian valuable or just Is the Romantic Victorian demarcation merely a convenience for the sake of the curriculum How is the quarrel among different strains of Romanticism continued and developed in the Victorian period How do Victorian texts interact with echo or resist Romantic texts In what ways did the Romantic poets establish the terms within which or against which Victorian poets were debating This volume of original essays addresses these questions it also demonstrates how well the Romantics thought and with what ferocious diligence the Victorians explored resisted and reworked the Romantic vision Reinventing Allegory Theresa M. Kelley, 1997-07-24 First published in 1997 Reinventing Allegory asks how and why allegory has survived as a literary mode from the late Renaissance to the postmodern present Three chapters on Romanticism including one on the painter J M W Turner present this era as the pivotal moment in allegory's modern survival Other chapters describe larger historical and philosophical contexts including classical rhetoric and Spenser Milton and seventeenth century rhetoric Neoclassical distrust of allegory and recent theory and metafiction By using a series of key historical moments to define the special character of modern allegory this study offers an important framework for assessing allegory's role in contemporary literary culture *Victorian Poetry* ,2009 Browning Society Notes ,1983 **Bowker's Law Books and Serials in Print** ,1993 **Guide to British Poetry Explication** Nancy Conrad Martinez, Joseph G. R. Martinez, 1991 *A Bibliography of Writings about the Brownings: Robert Browning and Elizabeth Barrett Browning from 1980 to 1989* ,1990 The Reader's Adviser ,1986 Genealogies in the Library of Congress Marion J. Kaminkow, 2012-09 A complement to genealogies in the Library of Congress t p of fifth v *The American Scholar*

William Allison Shimer,1981 **Subject Catalog, 1981** Library of Congress,1981 **University Press Books for Public
Libraries** ,1982 Subject Catalog Library of Congress,1981 Book Review Digest ,1982
