

Rough Living

Catherine Robinson

Rough Living:

Rough Living Catherine Robinson, 2010-01-01 *Rough Living* Surviving Violence and Homelessness reveals the ways in which intense chains of disadvantage incorporating homelessness are triggered by very early experiences of violence Drawing on biographic interviews with six men and six women the book bears witness not only to horrendous repeated experiences of physical and sexual violence but discusses what may be understood as related multi dimensional vulnerability in areas such as physical and mental health education employment and social connectedness A picture of the long term cycles of violent victimisation and homelessness and their compounding traumatising effects are made clear and the importance of trauma informed service delivery is outlined as a key way forward Rough Living Tokuda Shusei, 2001-02-28 Humorous and poignant *Rough Living* Arakure follows the fortunes of an ambitious young seamstress Oshima as she strives to survive and prosper in Meiji Japan Written in 1915 by Tokuda Shusei 1872 1943 the great chronicler of Japan's working class *Rough Living* explores the social transformations the country underwent in the early twentieth century from the perspective of a young woman who personifies the hungry entrepreneurial spirit of the times Through Oshima's eyes we see the formation of the structures of modern everyday life under capitalism as they evolved in Japan from the time of her birth in 1884 until the end of the novel around 1910 An unwanted child Oshima is adopted by a prosperous family but runs away repeatedly after refusing an arranged marriage to a young man with the feudal mentality of a slave Oshima endures a series of ineffectual husbands and lovers and failed business ventures but refuses to be the victim She does not tolerate derogatory treatment by men and shocks the citizens of Tokyo by wearing Western style dresses and riding a bicycle around the city to promote her tailoring business Largely through her efforts she and her common law husband prosper but in the end she relinquishes her hard won success for a chance to start a new business with an attractive employee she hopes to seduce

Homelessness in Australia Chris Chamberlain, Guy Johnson, Catherine Robinson, 2014-10-01 The first book to explore the complexities of homelessness in Australia and the future policies likely to improve the situation What is homelessness Who counts as homeless Whose responsibility is homelessness In *Homelessness in Australia* experts in the sector offer timely insights into the history causes and extent of homelessness in this country and the future policy directions most likely to have a positive impact Covering issues such as gender Indigenous homelessness family violence young people and the effects of trauma the book aims to improve both the understanding of the complexities involved and the outcomes for those experiencing homelessness *Integrating Social Services for Vulnerable Groups Bridging Sectors for Better Service Delivery* OECD, 2015-07-07 All OECD countries have vulnerable populations in need of multiple social service supports This book looks at how services are integrated vulnerable groups are defined and populations compare and at the benefits of integrating services It identifies good practice and promising common approaches *Black Women's Risk for HIV* Quinn Gentry, 2008-03-05 *Black Women's Risk for HIV* *Rough Living* is a valuable look into the structural and behavioral factors in

high risk environmentsspecifically inner city neighborhoods like the Rough in Atlantathat place black women in danger of HIV infection Using black feminism to deconstruct the meaning and significance of race class and gender this text gives a voice to a unique disenfranchised population and legitimizes their lives and experiences This important ethnographic study focuses not only on the problems associated with the continued rise in HIV rates among African American women but provides viable solutions to these problems as well

Rough Country Robert Wuthnow,2016-04-05 How the history of Texas illuminates America s post Civil War past Tracing the intersection of religion race and power in Texas from Reconstruction through the rise of the Religious Right and the failed presidential bid of Governor Rick Perry Rough Country illuminates American history since the Civil War in new ways demonstrating that Texas s story is also America s In particular Robert Wuthnow shows how distinctions between us and them are perpetuated and why they are so often shaped by religion and politics Early settlers called Texas a rough country Surviving there necessitated defining evil fighting it and building institutions in the hope of advancing civilization Religion played a decisive role Today more evangelical Protestants live in Texas than in any other state They have influenced every presidential election for fifty years mobilized powerful efforts against abortion and same sex marriage and been a driving force in the Tea Party movement And religion has always been complicated by race and ethnicity Drawing from memoirs newspapers oral history voting records and surveys Rough Country tells the stories of ordinary men and women who struggled with the conditions they faced conformed to the customs they knew and on occasion emerged as powerful national leaders We see the lasting imprint of slavery public executions Jim Crow segregation and resentment against the federal government We also observe courageous efforts to care for the sick combat lynching provide for the poor welcome new immigrants and uphold liberty of conscience A monumental and magisterial history Rough Country is as much about the rest of America as it is about Texas
