## **Round Heeled Woman My Late Life Adventures In Sex And Romance:**

A Round-Heeled Woman Jane Juska, 2004-05-11 Round heeled is an old fashioned label for a woman who is promiscuous someone who nowadays might be called easy It s a surprising way for a cultured English teacher with a passion for the novels of Anthony Trollope to describe herself but then that s just the first of many surprises to be found in this poignant funny utterly unique memoir Jane Juska is a smart energetic divorcee who decided she d been celibate too long and placed the following personal ad in her favorite newspaper The New York Review of Books Before I turn 67 next March I would like to have a lot of sex with a man I like If you want to talk first Trollope works for me This closing reference was a nod to her favorite author of course The response was overwhelming and Juska took a sabbatical from teaching to meet some of the men who had replied And since her ad made it clear that she wasn t expecting just hand holding her dates zipped from first base to home plate in record time Juska is a totally engaging perceptive writer funny and frank about her exploits It s high time someone revealed the fact that older single people are as eager for sex and intimacy as their younger counterparts Jane Juska s brave honest memoir will probably raise eyebrows and blood pressure but it will undoubtedly appeal to the very large audience of grown up readers who will be fascinated and inspired by her daring adventure *Round Heeled Woman* Jane Juska, 2001-01-01 A funny poignant utterly unique memoir by a schoolteacher who in her later years went in search of a sexual relationship via the Personals section of The New York Review of Books Round heeled is an old fashioned label for a woman who is promiscuous someone who nowadays might be called available So now you know what to expect from this surprising memoir by a cultured energetic English teacher who d been celibate too long and who placed the following personal ad in her favorite newspaper Before I turn 67 next March I would like to have a lot of sex with a man I like If you want to talk first Trollope works for me this closing reference being a nod to her favorite author Anthony Trollope The response was overwhelming and Jane took a sabbatical from teaching to meet the men who replied And since her ad made it clear that she wasn t expecting just hand holding her dates zipped from first base to home plate in record time Juska is a totally engaging very smart writer extremely funny and frank about her exploits It s high time someone revealed the fact that older single people are as eager for sex and intimacy as younger ones and this book will appeal to the large audience of grown up readers who will be fascinated by the sexual feelings of their peers A Round-Heeled Woman Jane Juska, 2004 Before I turn 67 next March I would like to have a lot of sex with a man I like If you want to talk first Trollope works for me Small ad in the New York Review of Books b ane Juska placed her ad in the New York Times and the response was overwhelming She took a sabbatical from teaching just to have time to respond and meet some of the men the result is this engaging funny and utterly frank account of her exploits It s high time someone revealed the fact that older single people are as eager for sex and intimacy as their younger counterparts Jane Juska s brave and honest memoir raises eyebrows and blood pressure in what is undoubtedly an inspiring account of one woman s daring adventures in sex and romance

*Unaccompanied Women* Jane Juska, 2007-12-18 Before I turn 67 I would like to have a lot of sex with a man I like This inspired personal ad from Jane Juska drew tremendous response and swept the retired teacher into a whirlwind existence she barely recognized as her own She relayed her fun and frank exploits in the bestseller *A Round Heeled Woman* Now Juska continues her astonishing story in this much anticipated new adventure Five years after that fateful ad Juska has become a friend and confessor for women of all ages who confide in her their poignant tragic or blissful stories unaccompanied women who are alone for now but ever searching for intimacy And in spite of Juska's own success unaccompanied is a description that applies to her as well She's still looking for a man to keep her company not a husband not even a partner but simply the perfect lover once described by Katharine Hepburn as one who lives nearby and visits often *Unaccompanied Women* embraces not only Juska's continuing explorations of Eros note to fans her younger lover Graham is still on the scene but also a blossoming literary career that catapults her from San Francisco to New York London and Paris At book signings earnest men place themselves purposely at the end of the line in order to engage her in private conversations while women linger to confess their own erotic longings and their experiences with the good the bad and even the ugly All the while Juska is coping with the unnerving possibility of losing her home a tiny cottage in Berkeley California and so her search broadens and intensifies not just for love friendship and sex but also for enough money to keep a roof over her head Jane Juska shares all this richness of living in a poignant and humorous exploration of emotional terrain rarely discussed in our society This wise and warmhearted book provides vivid evidence that the pursuit of pleasure and lasting relationships is not just for the young but also for the young at heart

**On My Own** Florence Falk, 2008-03-25 At some point over the course of the average American woman's life she will find herself alone whether she is divorced widowed single or in a loveless isolating relationship And when that time comes it is likely that she will be at a loss as to how to handle it As a society we have an unspoken but omnipresent belief that a woman alone is an outcast inherently flawed in some way In this invigorating supportive book psychotherapist Florence Falk aims to take the fear doubt confusion and helplessness out of being a woman alone Falk invites all women to find their own paths toward an authentic selfhood to discover the pleasures and riches of solitude and to reconnect with others through a newfound sense of self confidence Like so many women before her Florence Falk found herself divorced alone and unsure of herself Soon she realized that by embracing her solitude for what it was a potentially enriching and life altering experience she could turn what once would have felt like loneliness into a far more positive and empowered aloneness Falk notes that each of us has two opposing drives one causes us to yearn to make close connections with others and the other pulls us back into ourselves into the need for selfhood and certainty that can only be shaped through solitude In order to be whole she says we must heed both of those impulses But in our modern culture the former is stressed while the latter is neglected even vilified *On My Own* boldly shifts that paradigm With inspiring intimate stories of women from all backgrounds Falk illuminates the essential role that being alone plays in women's lives Whether

she is in a stable relationship or on her own every woman must learn to be by herself for if she can be fully free unfettered by society's stigmas about being alone life and all its possibilities will open up for her And as Falk demonstrates once a woman has discovered the richness of solitude she is not likely to give it up so easily      Reading Autobiography Sidonie Smith, Julia Watson, 2010-07-02 With the memoir boom life storytelling has become ubiquitous and emerged as a distinct field of study Reading Autobiography originally published in 2001 was the first comprehensive critical introduction to life writing in all its forms Widely adopted for undergraduate and graduate level courses it is an essential guide for students and scholars reading and interpreting autobiographical texts and methods across the humanities social sciences and visual and performing arts Thoroughly updated the second edition of Reading Autobiography is the most complete assessment of life narrative in its myriad forms It lays out a sophisticated theoretical approach to life writing and the components of autobiographical acts including memory experience identity embodiment space and agency Sidonie Smith and Julia Watson explore these components review the history of life writing and the foundations of autobiographical subjectivity and provide a toolkit for working with twenty three key concepts Their survey of innovative forms of life writing such as autographics and installation self portraiture charts recent shifts in autobiographical practice Especially useful for courses are the appendices a glossary covering dozens of distinct genres of life writing proposals for group and classroom projects and an extensive bibliography

**Age Matters** Toni M. Calasanti,Kathleen F. Slevin,2013-10-11 This volume of original chapters is designed to bring attention to a neglected area of feminist scholarship aging After several decades of feminist studies we are now well

informed of the complex ways that gender shapes the lives of women and men Similarly we know more about how gendered power relations interface with race and ethnicity class and sexual orientation Serious theorizing of old age and age relations to gender represents the next frontier of feminist scholarship In this volume leading national and international feminist scholars of aging take first steps in this direction illuminating how age relations interact with other social inequalities particularly gender In doing so the authors challenge and transform feminist scholarship and many taken for granted concepts in gender studies

*Off the Books* J. Peder Zane, 2015-04-06 Head Off the Books in this collection of newspaper columns where J Peder Zane uses classic and contemporary literature to explore American culture and politics The book review editor for the Raleigh North Carolina News Observer from 1996 to 2009 Zane demonstrates that good books are essential for understanding ourselves and the world around us The one hundred and thirty columns gathered in *Off the Books* find that sweet spot where literature's eternal values meet the day's current events Together they offer a literary overview of the ideas issues and events shaping our culture from 9 11 and the struggle for gay rights to the decline of high culture and the rise of sensationalism and solipsism As they plumb and draw from the work of leading writers from William Faulkner Knut Hamsun and Eudora Welty to Don DeLillo Lydia Millet and Philip Roth these columns make an argument not just about the pleasure of books but about their very necessity in our lives and culture
