

The she-bear can scare the mountain, who will often run away
But the she-bear does not need to roar like the passing leopard,
For the female of the species is more deadly than the male.
When King She-barking commands his she-cub to roar all day
He will sometimes withdraw his voice, and stand in all his might
With his white beard and matted hair, where the vulture has been.
For the female of the species is more deadly than the male.
When the early Jewish father preached to Phineas and Chayim,
They prayed to be delivered from the vengeance of the sun,
It was the women, not the watchmen, turned their backs upon
For the female of the species is more deadly than the male.
