had their Uncle Randolph Rover and their motherly Aunt Martha but this had been voted too slow by the three brothers and it was decided that they should go to Buffalo charter a small yacht and do as they pleased until the opening of school **The Rover Boys on the Great Lakes; Or, The Secret of the Island Cave** Edward Stratemeyer,2025-08-23 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *The Rover Boys on the Great Lakes* Edward Stratemeyer,2017-08-09 The Rover Boys or The Rover Boys Series for Young Americans was a popular juvenile series authored by Arthur M Winfield a pseudonym for Edward Stratemeyer and published by Stratemeyer Syndicate Thirty titles were published between 1899 and 1926 and the books remained in print for years afterward The Rover Boys on the Great Lakes - Scholar's Choice Edition Edward Stratemeyer,2015-02-16 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Rover Boys MEGAPACK®** Edward Stratemeyer,2017-01-19 The Rover Boys were precursors to the Hardy Boys three brothers who solved mysteries and had adventures at boarding school on vacation and abroad Twenty volumes all included here were published A second series chronicling the adventures of the original Rover Boys sons followed Six volumes of the second series are included If you enjoy this ebook don t forget to search your favorite ebook store for Wildside Press Megapack to see more of the 300 volumes in this series covering adventure historical fiction mysteries westerns ghost stories science fiction and much much more

The Rover Boys on the Great Lakes Or, the Secret of the Island Cave Edward Stratemeyer,2018-08-14 The Rover Boys on the Great Lakes Or the secret of the island cave Large Print By Edward Stratemeyer Dick do you notice how the wind is freshening Yes Sam I ve been watching it for ten minutes I think we are in for a storm Exactly my idea and I shouldn t be surprised if it proved a heavy one too How far are we from shore Not over three miles to my reckoning Perhaps we had better turn back and Sam Rover the youngest of the three Rover brothers shook his head doubtfully Oh I reckon we ll be safe enough responded Dick Rover who was several years older I know more about sailing a yacht than I did when we followed up the Baxters on the Atlantic Ocean The poor Baxters put in Tom Rover who stood close by also watching the wind and the

heavy clouds rolling up from the westward Who ever supposed that they would be buried alive in that landslide on the mountain in Colorado It was a terrible fate came with a shudder from Dick Rover But nevertheless I am glad we are rid of those rascals They caused father and us trouble enough goodness knows And they brought trouble enough to Dora Stanhope and her mother too observed Sam By the way Dick weren t Dora and her mother going to take a trip on these lakes this summer Of course Dora was put in Tom with a sly wink If she wasn t what do you suppose would bring Dick here He got a letter only last week Oh stow it Tom cried the elder Rover his face growing red You wanted to take a trip on the Great Lakes as much as anybody said you wouldn t like anything better and told all the fellows at Putnam Hall so too Well I don t know as I would like anything better rattled on Tom The Swallow seems to be a first class craft and I ve no doubtbut what we ll see lots to interest us in this trip from Buffalo toLake Superior When are the Stanhopes coming out asked Sam I can t say exactly replied Dick I expect another letter from them when we reach Cleveland In the last letter Dora said her mother was not feeling as well as before We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
