Roy Jenkins' Gallery of 20th Century Portraits Roy Jenkins, 1988 Roy Jenkins and the European Commission Presidency, 1976 -1980 N. Piers Ludlow, 2016-04-02 Roy Jenkins brought great talent to Europe's top job He played a key role in re launching European monetary integration winning the right to attend the new global summits and smoothing Greece's path to EC membership But he fell short of other targets Commission reform remained elusive as did an improvement of the UK s troubled relationship with the EC Indeed the row over Britain s contribution to the EC budget meant that Britain's position in Europe was as difficult when he left Brussels as it had been when he arrived This study will look at how Jenkins approached his role identifying his priorities examining his working methods and exploring his rapport with the European and international statesmen with whom he had to work In the process the book will shed light on the nature of the job on Jenkins own talents and limitations and on the European Community as it struggled with the global economic crisis of the 1970s Annotated Bibliography of Works About Sir Winston S.
