Stanley, 2012-06 The Fabulous Fifties were America's Happy Days The Eisenhower Years produced amazing contributions to our American culture and to other cultures around the world In so many ways Americans innovated and the world imitated from Elvis

Presley and rock n roll to the Salk anti polio vaccine America s contributions to the world included motion pictures and the Broadway stage radio and television amateur and professional sports jazz the blues country and Western music traditional ballads and popular songs and rock n roll domestic and international business and trade public and private educational opportunities and a rich and varied literature While Americans did not invent all these categories they nevertheless took each to new heights during the Eisenhower Years and shared their bounty with the world The Eisenhower Years generally speaking were happier more stable more prosperous more optimistic and simpler times then the preceding decades of the 1930 s and 40 s and the increasingly turbulent 1960 s and 70 s that followed In fact America s exuberance in so many areas of the arts and everyday life was omnipresent As for political and military achievements President Eisenhower kept us safely out of war and was wise enough to stay out of the way of America s artists and entrepreneurs As a result the Eisenhower Years should forever be remembered as those Happy Days *Television Series of the 1950s* Vincent Terrace,2016-05-16

Often regarded as the first golden era of television the 1950s was a decade when many classic programs from I Love Lucy and Gunsmoke to The Honeymooners and Perry Mason among others made their debuts Even after these shows departed the airwaves they lived on in syndication entertaining several generations of viewers Devoted and casual fans alike can probably remember basic facts about these shows like the names of Lucy and Ricky s neighbors or the town where Marshall Matt Dillon kept the law But more elusive facts like the location of the most successful defense attorney in Los Angeles Suite 904 of the Brent Building might be harder to recall In *Television Series of the 1950s Essential Facts and Quirky Details* Vincent Terrace presents readers with a cornucopia of information about 100 programs from the decade Did you know for example that the middle initial of Dobie Gillis friend Maynard G Krebs stood for Walter Or that Ralph Kramden s electric bill came to only 39 cents a month Or that on I Love Lucy Ricky originally performed at Manhattan s Tropicana Club These are but a few of the hundreds of fun and intriguing trivia facts contained within this volume Shows from all four networks ABC CBS NBC and DuMont as well as select syndicated programs are represented here This is not a book of opinions or essays about specific television programs but a treasure trove of the facts associated with each of these programs Readers will discover a wealth of fascinating information that for the most part cannot be found anywhere else In some cases the factual data detailed herein is the only such documentation that exists currently on bygone shows of the era *Television Series of the 1950s* is the ideal reference for fans of this decade and anyone looking to stump even the most knowledgeable trivia expert
