Academy From Reynolds to Millais (Classic Reprint) Charles Holme, 2016-09-17 Excerpt from The Royal Academy From
Reynolds to Millais Vicissitudes It is now and has been for very many years accepted both by the public and the majority of
art workers as the governing influence in the British art world and neither criticism nor opposition of which it has had its fair
share at all stages of its development can be said to have perceptibly affected its progress A number of causes have
combined to give it the remarkable position which it now holds It has been from the very beginning under the direct
patronage of the Crown and has acquired in consequence a social standing of a very definite kind It has maintained a free
school for students of art under the direction of the leading artists of this country and so has played a part of no little
significance in artistic education It has by its annual exhibitions provided the many people who are interested in or curious
about art matters with a periodical entertainment In many other ways by taking an active part in schemes intended to
promote the credit of British art at home and abroad by giving frequent and generous contributions of money for the
assistance of artists in distress by the administration of funds entrusted to it for various professional purposes and by
constant intervention in the politics of the art world it has year by year strengthened its claim to consideration until at last it
cannot be said to have a rival or even a serious competitor About the Publisher Forgotten Books publishes hundreds of
thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important
historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original
format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish
