1956 to 1947 when Adams was 16 years old before he played baritone saxophone Because of Carner's access to Adams estate just prior to its disposition in 1987 much new discographical material is included now verified by Adams date books and correspondence Since Adams worked in so many of the great bands of his era Pepper Adams Joy Road is a refreshing sometimes irreverent walk through a large swath of jazz history This work also functions as a nearly complete band discography of the Thad Jones Mel Lewis Orchestra the most influential big band of its time Adams was a founding member and stayed with the band until a year before Jones left to relocate in Denmark Finally Carner charts the ascent of Adams as an original yet still underappreciated composer one who wrote 43 unique works nearly half of them after August 1977 when he left Jones Lewis to tour the world as a soloist Pepper Adams Joy Road the first book ever published about Pepper Adams is a companion to the author's forthcoming biography on Adams
