The Royal African Company Kenneth Gordon Davies,1970 *Royal African Society* Royal African Society,1962*

Journal of the Royal African Society Royal African Society,1928 Freedom's Debt William A. Pettigrew,2013-12-30

In the years following the Glorious Revolution independent slave traders challenged the charter of the Royal African Company by asserting their natural rights as Britons to trade freely in enslaved Africans In this comprehensive history of the rise and fall of the RAC William A Pettigrew grounds the transatlantic slave trade in politics not economic forces analyzing the ideological arguments of the RAC and its opponents in Parliament and in public debate Ultimately Pettigrew powerfully reasons that freedom became the rallying cry for those who wished to participate in the slave trade and therefore bolstered the expansion of the largest intercontinental forced migration in history Unlike previous histories of the RAC Pettigrew s study pursues the Company s story beyond the trade s complete deregulation in 1712 to its demise in 1752 Opening the trade led to its escalation which provided a reliable supply of enslaved Africans to the mainland American colonies thus playing a critical part in entrenching African slavery as the colonies preferred solution to the American problem of labor supply

Jews, Slaves, and the Slave Trade Eli Faber, 2000-07-01 Lays to rest the controversial myth of Jewish involvement in the slave trade In the wake of the civil rights movement a great divide opened up between African American and Jewish communities What was historically a harmonious and supportive relationship suffered from a powerful and oft repeated legend that Jews controlled and masterminded the slave trade and owned slaves on a large scale well in excess of their own proportion in the population In this groundbreaking book likely to stand as the definitive word on the subject Eli Faber cuts through this cloud of mystification to recapture an important chapter in both Jewish and African diasporic history Focusing on the British empire Faber assesses the extent to

which Jews participated in the institution of slavery through investment in slave trading companies ownership of slave ships commercial activity as merchants who sold slaves upon their arrival from Africa and direct ownership of slaves His unprecedented original research utilizes shipping and tax records stock transfer ledgers censuses slave registers and synagogue records These materials reveal once and for all the minimal nature of Jews involvement in the subjugation of Africans in the Americas A crucial corrective Jews Slaves and the Slave Trade lays to rest one of the most contested historical controversies of our time
