[British Subjects](#) Nigel Rapport, 2020-05-25 The anthropology of Britain is hotly debated What does it mean to live in Britain and to be British and is an anthropology of Britain even a

legitimate undertaking British Subjects presents a forthright voice in this debate Key anthropological concerns such as community rationality aesthetics the body power work and leisure nationalism and transnationalism are found reflected in the lives of a wide range of British subjects from farmers to dancers children to retired miners new agers to entrepreneurs In disputing traditional claims that anthropology at home and of one s own is misconceived unnecessary or unperceptive this book clearly establishes that an anthropology of Britain can set excellent standards of subtle ethnography and complex analysis Providing a nuanced appreciation of the intricacies of British society this book shows how the anthropological study of Britain can offer an enlightening paradigm for the study of individual lives *Toward a Sound Ecology* Jeff Todd Titon, 2020-08-25 How does sound ecology an acoustic connective tissue among communities also become a basis for a healthy economy and a just community Jeff Todd Titon s lived experiences shed light on the power of song the ecology of musical cultures and even cultural sustainability and resilience In *Toward a Sound Ecology* Titon s collected essays address his growing concerns with people making music holistic ecological approaches to music and sacred transformations of sound Titon also demonstrates how to conduct socially responsible fieldwork and compose engaging and accessible ethnography that speaks to a diverse readership *Toward a Sound Ecology* is an anthology of Titon s key writings which are situated chronologically within three particular areas of interest fieldwork cultural and musical sustainability and sound ecology According to Titon a foundational figure in folklore and ethnomusicology a re orientation away from a world of texts and objects and toward a world of sound connections will reveal the basis of a universal kinship Constant Lambert Stephen Lloyd, 2014 To the economist and ballet enthusiast John Maynard Keynes he was potentially the most brilliant man he d ever met to Dame Ninette de Valois he was the greatest ballet conductor and advisor this country has ever had to the composer Denis ApIvor he was the greatest most lovable and most entertaining personality of the musical world whilst to the dance critic Clement Crisp he was quite simply a musician of genius Yet sixty years after his death Constant Lambert is little known today As a composer he is remembered for his jazz inspired *The Rio Grande* but little more and for a man who devoted the greater part of his life to the establishment of English ballet his work is largely unrecognized today This book looks not only at his music but at his journalism his talks for the BBC his championing of jazz in particular Duke Ellington and more privately his longstanding affair with Margot Fonteyn Book jacket **'Wastwater' and 'T5'** Simon Stephens, 2011-03-31 You make one decision It stays with you It s like the consequences of it get into your bones Set on the edges of Heathrow airport *Wastwater* is an elliptical triptych a snapshot of three different couples who make a choice that will define the fallout of their future Harry is on the point of leaving England and Frieda knows she will never see him again Lisa and Mark are on the point of a sexual betrayal that takes them into a place darker than they ever thought possible Sian has a terrifying deal for Jonathan and she isn t going to take no for an answer A reflective piece by a playwright at the height of his powers and career *Wastwater* mimics the flexible and innovative form of Stephens s hit play *Pornography* with three overlapping but

detachable parts which can be split and played in differing orders The play contains Stephens s trademark combination of sensitive character depiction and tough confrontation with political choices *Wastwater* is a meditative morality tale and a portrayal of modern day relationships formed and deformed by fatal decisions inevitable consequences and fragile connections This volume also contains the monologue *T5* which portrays a road trip below the heart of London and follows a darkly magical flight out of the edges of the 21st century World Encyclopedia of Contemporary Theatre Irving Brown (Consulting Bibliographer),Natasha Rappaport (Bibliographer),Don Rubin (General Editor),Rosabel Wang (Consulting Bibliographer),2013-10-11 An annotated world theatre bibliography documenting significant theatre materials published world wide since 1945 plus an index to key names throughout the six volumes of the series *Whitaker's Shorts: Five Years in Review* Bloomsbury Publishing,2013-11-07 Now in its 146th edition Whitaker s Almanack is the definitive reference guide containing a comprehensive overview of every aspect of UK infrastructure and an excellent introduction to world politics Available only as ebooks Whitaker s Shorts are selected themed sections from Whitaker s Almanack portable and perfect for those with specific interests within the print edition Whitaker s Shorts Five Years in Review includes a digest of the year s events from 2008 9 to 2012 13 in the UK and abroad and articles covering subjects as diverse as Archaeology Conservation Business and Finance Opera Dance Film and Weather There is also an A Z listing of all the results for the major sporting events from Alpine Skiing through to Fencing Football Horse Racing Polo and Tennis **Classics of the Royal Ballet** Jesse Davis,1980 The plots of six ballets are accompanied by photographs of performances by the Royal Ballet Included are The Nutcracker Swan Lake La Fille Mal Gardee Giselle Romeo and Juliet and The Sleeping Beauty Women at Work Anna M.
