Royal Childhoods:

Royal Childhoods Charles Carlton, 2023-03-31 First published in 1986 *Royal Childhoods* shows how the early years of Britain's kings and queen have coloured their later lives Combining skills of a professional historian with a knowledge of psychology the author links the study of childhood to known pattern of events His book makes the distant figures of royalty more comprehensible as individuals With great insight into the influence of childhood experience he covers the whole span of British monarchy from William the Conqueror to the Prince of Wales This book will be of interest to students of history literature and psychology *A Royal Childhood* Liz Gogerly, 2013 Looks at the lives of royal children in the last 200 years

The Childhood and Schoolroom Hours of Royal Children Julia Luard, 1876 *Scandals of the Royal Palaces* Tom Quinn, 2021-10-19 George Orwell once said that the British love a really good murder He might have added that the only thing the British love more than a good murder is a really good scandal and best of all are the sexual and political scandals that take place behind the gilded doors of Britain's royal palaces From Edward II's intimate relationship with Piers Gaveston to Prince Harry and Meghan Markle's dramatic exit from the royal family the royal residences have seen it all This glorious romp of a book contains new information on well known and not so well known scandals including those that have only recently been revealed through the release of previously secret official papers Exploring surviving palaces such as Kensington as well as long vanished residences including Whitehall *Scandals of the Royal Palaces* is the first in depth look at the bad behaviour of not just the royals themselves but also palace officials courtiers household servants and hangers on Delving into the bitter hatreds that generations of King Georges nursed for their eldest sons Queen Victoria's opium fuelled rages and Edward VII's near miss perjury conviction royal expert Tom Quinn reveals that scandal and the royal family have always been bedfellows And if the behaviour of today's royals is anything to go by the glittering palaces will continue to house intriguing embarrassing and outrageous scandals for centuries to come

Harmful Sexual Behaviour in Young Children and Pre-Teens Lesley-anne Ey, Elspeth McInnes, 2020-05-05 There has been considerable research and authorship on child sexual abuse however much of this research has focused on adult perpetrators and child victims Less attention has been paid to children's harmful sexual behaviour and the multitude of influences *Harmful Sexual Behaviour in Young Children and Pre-Teens* provides evidence based understanding on typical sexual development versus harmful sexual behaviour the prevalence and impacts associated with harmful sexual behaviour Australian laws policies and educator responsibilities responses and support systems for children who display harmful sexual behaviour and the implications and challenges for future practice This book provides understandings that directly respond to the recent Australian Royal Commission into Institutional Responses to Child Sexual Abuse recommendation 10.1 to address a primary prevention strategies to educate family community members carers and professionals about preventing harmful sexual behaviours b secondary prevention strategies to ensure early intervention when harmful sexual behaviours are developing and c tertiary
