Thomas Louis Haines, 1986 **The Royal Path of Life** Thomas L. Haines, 2017-12 Excerpt from *The Royal Path of Life Or Aims and Aids to Success and Happiness* WE point to two ways in life and if the young man and maiden whose feet are lingering in soft green meadows and flowery paths will consider these two ways soberly and earnestly before moving onward and choose the one that truth and reason tell them leads to honor success and happiness they have wisely chosen the Royal Path of Life The other way is too well known to need description It is a sad thing after the lapse of twenty years to find our

selves amid ruined hopes to sit down with folded hands and say Thus far life has been a failure Yet to how many is this the wretched summing up at the end of a single score of years from the time that reason takes the helm Alas That so few who start wrong ever succeed in finding the Royal Path life proving even to its last burdened years a millstone about the neck About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
