## Royal Torch:

*Torch of Freedom* David Weber, Eric Flint, 2009-11-01 Someone is assassinating the leaders of both the Star Kingdom of Manticore and the recently liberated former slave planet of Torch. Though most believe the Republic of Haven is behind the murders, Anton Zilwicki and Havenite secret agent Victor Cachat believe there is another sinister player behind the scenes. Queen Berry of Torch narrowly escaped one assassination attempt and a security officer from Beowulf has been assigned to protect her, a task complicated by the young monarch's resentment of bodyguards and the officer's growing attachment to her. Meanwhile, powerful forces in the Solarian League are maneuvering against each other to gain the upper hand, not realizing or perhaps not caring that their power struggle is threatening the League's very existence and could plunge the galaxy into war. Once again, New York Times best-selling authors David Weber and Eric Flint join forces in an exciting new novel in the Honorverse. At the publisher's request, this title is sold without DRM (Digital Rights Management).

*The Torch* Felix Fax (pseud.), 1837      **The S Files** Rebecca Linam, 2015-04-25 Warning: What you are about to read is a complete and truthful account of the world of espionage. Forget everything you thought you knew about spies. What you thought you knew is totally wrong. For example, did you know that the Russian Spy Agency employed seven-year-old spies, the American Spy Agency's top scientist Dr. Pepper cloned its most successful agents, the Japanese Spy Agency developed a type of cheese that boosted its agents' success rates by up to 25%, the Spanish Spy Agency invented its famous tickle torture, the Flemish Spy Agency uncovered a Martian plot to take over the world, the Phlegmish Spy Agency was responsible for many major flu outbreaks during the Cold War? You might also think that backwards Russian pig Latin is not a real spy code, but it's listed in the Russian Spy Agency handbook. This book explains how it really happens. This is spying in its true, exposed form. This book will self-destruct when you finish reading it.      **Annual Register** Edmund Burke, 1761      ,      **The New and Complete**

**Military Journal**, 1860      **State and Society in Pre-colonial Asante** T. C. McCaskie, 2003-10-30 Scholarship on the West African kingdom of Asante is at the leading edge of Africanist research. In this book, T. C. McCaskie gives a detailed and richly nuanced historical portrait of precolonial Asante. His delineation of state and society in the eighteenth and nineteenth centuries is centred on an extended analysis of the crucial ritual of the annual Kumase Odwira festival. It is at once a profound historical reconstruction of an African polity and a deeply informed meditation on key Asante concepts and ideas. Throughout the book, the Asante experience is consistently discussed in a relation to a broad range of historiography and critical theory.
