Royer-Collard. Son Essai D'un Système Politique, Etc. [With a Portrait.]. Gabriel RÉMOND, Pierre Paul ROYER-COLLARD, 1933 *When the French Tried to be British* J.A.W. Gunn, 2009-05-01 In *When the French Tried to Be British* J A W Gunn studies the French effort during 1814 to 1848 to adopt the set of common understandings that lent a comparative stability to British government The institutions of a loyal opposition and disciplined political parties seemed to be implicit in the parliamentary model but their acceptance foundered on French reluctance to accord legitimacy to political opponents A sophisticated minority including such major figures as Chateaubriand Constant Mme de Sta l and Guizot recognized the need for something approaching the British political culture but the wounds opened by the Revolution could not readily be healed A more or less complete acceptance of the civil disagreement that was the spirit of the British model had to await the Fifth Republic *Royer-Collard* Gabriel Rémond, 1933 Les Constitutions Européennes: Essai synthétique. Royer-Collard Gabriel Rémond, 1933 **Liberalism under Siege** Aurelian Craiutu, 2003-09-16 Liberalism under Siege The Political Thought of the French Doctrinaires is a compelling examination of the French Doctrinaires a largely neglected group of liberal thinkers in post revolutionary France who were proponents of a nuanced sociological and historical approach to political theory The first systematic interpretation of the French Doctrinaires political writings to appear in English Liberalism under Siege combines textual analysis and historical interpretation to explore the Doctrinaires ideas on the French Revolution democracy political power sovereignty of reason publicity capacity and representative government Aurelian Craiutu s detailed work is not only an argument for the reappraisal of the Bourbon Restoration as a golden age of political thought it is also a passionate and persuasive addition to contemporary debates about the diversity of liberalism
