

RUSSIA AND THE WEST UNDER LENIN AND STALIN

GEORGE F. KENNAN

Rubia And The West Under Lenin And Stalin

Michael Gibson

Russia And The West Under Lenin And Stalin:

Russia and the West Under Lenin and Stalin George F. Kennan, 2021-02-04 The material contained in this book is drawn from lectures some of which were delivered in 1957 1958 in the schools at Oxford University others in the spring of 1960 at Harvard University This is a study of the relationship between the Soviet Union and the major Western countries from the inception of the Soviet regime in 1917 to the end of World War II It is not intended as a chronological account of the happenings in this phase of diplomatic history but rather as a series of discussions of individual episodes or problems George F Kennan Russia and the West Under Lenin and Stalin Kennan describes the diplomatic dilemmas that grew out of ignorance and mutual distrust beginning with the Allied intervention in Russia in 1918 through World War I the Versailles conference Stalin s bloody purges of 1934 1938 the Soviet German Nonaggression Pact of 1939 the end of World War II and the meeting in Yalta between Churchill Stalin and Roosevelt It is not often that a book as instructive as this one manages at the same time to be so engrossing that it is bound to keep even general readers fascinated long past their bedtimes The book s message is a stern one the pleasure in reading it derives from the elegant and yet fresh prose style that is one of the many gifts of the author who is an artist as well as an experienced diplomat a moralist as well as a consummate historian With superb felicity and grace he here unfolds a historical narrative rich in prophetic judgments prophetic in the Biblical sense of the word Not everyone of course will agree with all of Mr Kennan s conclusions but there is so much that is useful in this volume that even those who have reservations about one or another of the judgments in it will welcome it warmly as a significant contribution in several ways Marshall D Shulman The New York Times Superbly concise meaty and lucid It surveys the whole fascinating involved drama of Communism s rise to world power Newsweek Every adult American ought to read it William L Shirer Surely one of the most important books since the end of the last war an over all view that transcends the provinciality of so much of our foreign policy and embraces the whole immense area from Washington to Peking The New Yorker An important a disturbing a deeply moving book New York Herald Tribune Book Review Not only Mr Kennan s finest book but also the best that has been written on Russia in this century Sir Robert Bruce Lockhart In this absorbing and eloquent book Mr Kennan reviews with much perception and sensitivity the ragged course of relations between the Soviet Union and the West from 1917 to 1945 While there is much in Western understanding and action to be criticized in the early years during the inter war period and during World War II Mr Kennan is keenly aware of the intense hostility of the Communist stance which exacerbated all problems Foreign Affairs Kennan a fine writer as well as historian and diplomat has made a magnificent attempt to put into order the chaotic relations between Russia and the West from the Communist Revolution to the end of World War II A most important book deserving the widest possible readership Kirkus A remarkable best seller This fact is a tribute to both the author and the subject with which he deals It is superfluous to comment on Mr Kennan s authority or on the brilliance of his lucid prose which are again in evidence in this work It is a volume not easily put aside as a mere purveyor

of information it solicits judgments and proffers them lavishly inviting agreement or dissent Slavic Review A valuable volume It is full of flashes of insight into both Soviet and Western attitudes and policies and it reveals the painful dilemmas Wilson Roosevelt and other Western leaders faced in dealing with this new state and system The Slavic and East European Journal

Russia and the West Under Lenin and Stalin George Frost Kennan,1960 **Russia, the Atom and the West Under Lenin and Stalin** George Frost Kennan,1962 *Rule of Terror* Hellmut Andics,1969 The Oxford English Dictionary,1989 *Russia Under Lenin and Stalin* Dean Smart,1998 The 1917 revolutions Lenin in power Civil War 1918 1921 Five Year Plans The Great Terror Stalinism Relations between USSR and the west 1928 1941 Great Fatherland War 1941 1945 The Iron Curtain Timeline Russia and international events **Hrvatski list**,1982 **Communist Russia Under Lenin and Stalin** Terry Fiehn,Chris Corin,2002 A comprehensive advanced core text on Russia from 1900 to the 1950s It offers students an insight into the causes of the Russian Revolution in 1917 the nature the achievements and failure of Lenin s and Stalin s regimes and the ongoing historiographical debate about this period and the current reinterpretations of it

Picturing the Page Megan Swift,2020 Based on sources from rare book libraries in Russia and around the world Picturing the Page offers a vivid exploration of illustrated children s literature and reading under Lenin and Stalin a period when mass publishing for children and universal public education became available for the first time in Russia Through an analysis of illustrations in fairy tales classics and wartime picture books Megan Swift elucidates the vital and multifaceted function of illustrated children s literature in repurposing the past Picturing the Page demonstrates that while the texts of the past remained fixed illustrations could slip between the pages to mediate and annotate that past as well as connect with anti religious patriotic and other campaigns that were central to Soviet children s culture after the 1917 Revolution **Russia Under the Bolshevik Regime** Richard Pipes,2011-05-04 From the acclaimed authority on Russia and the Russian Revolution the final volume in his magisterial history of the Russian Revolution covering the period from the outbreak of the Civil War in 1918 to Lenin s death in 1924 Offers a penetrating analysis of the making of the Soviet system It is a passionate book whose outstanding scholarship is rooted in universal values like truth honor responsibility and the sacredness of human life Philadelphia Inquirer Timely The work is enriched in intriguing ways by the author s access to the once secret archives of the Soviet Union Los Angeles Times Russian and the West Under Stalin George F. Kennan,1961 *Stalin's Curse* Robert Gellately,2013 A chilling skillfully delineated account based on newly released Russian documentation that reveals Stalin s true motives and the extent of his enduring commitment to expanding the Soviet empire during the years in which he seemingly collaborated with Roosevelt Churchill and the capitalist West **Lenin, Stalin, and Hitler** Robert Gellately,2009-11-11 A bold new accounting of the great social and political upheavals that enveloped Europe between 1914 and 1945 from the Russian Revolution through the Second World War In Lenin Stalin and Hitler acclaimed historian Robert Gellately focuses on the dominant powers of the time the Soviet Union and Nazi Germany but also analyzes the catastrophe

of those years in an effort to uncover its political and ideological nature Arguing that the tragedies endured by Europe were inextricably linked through the dictatorships of Lenin Stalin and Hitler Gellately explains how the pursuit of their utopian ideals turned into dystopian nightmares Dismantling the myth of Lenin as a relatively benevolent precursor to Hitler and Stalin and contrasting the divergent ways that Hitler and Stalin achieved their calamitous goals Gellately creates in Lenin Stalin and Hitler a vital analysis of a critical period in modern history Nomads and Soviet Rule Alun Thomas (Historian),2019 The nomads of Central Asia were well accustomed to life under the power of a distant capital when the Bolsheviks fomented revolution on the streets of Petrograd Yet after the fall of the Tsar the nature ambition and potency of that power would change dramatically ultimately resulting in the near eradication of Central Asian nomadism Based on extensive primary source work in Almaty Bishkek and Moscow Nomads and Soviet Rule charts the development of this volatile and brutal relationship and challenges the often repeated view that events followed a linear path of gradually escalating violence Rather than the sedentarisation campaign being an inevitability born of deep rooted Marxist hatred of the nomadic lifestyle Thomas demonstrates the Soviet state s treatment of nomads to be far more complex and pragmatic He shows how Soviet policy was informed by both an anti colonial spirit and an imperialist impulse by nationalism as well as communism and above all by a lethal self confidence in the Communist Party s ability to transform the lives of nomads and harness the agricultural potential of their landscape This is the first book to look closely at the period between the revolution and the collectivisation drive and offers fresh insight into a little known aspect of early Soviet history In doing so the book offers a path to refining conceptions of the broader history and dynamics of the Soviet project in this key period Back cover

Stalin's Russia: Teach Yourself Ebook David Evans,2012-04-06 Understand Stalin s Russia is a compelling introduction to a man and a nation long enveloped in mystery It covers all aspects of this fascinating history from the shadows of Tsarism and the legacy of Lenin to the implications of Stalin s rule including the horrific effects of the five year plans and the heroic but costly triumph in the Great Patriotic War **Nomads and Soviet Rule** Alun Thomas,2018-06-14 The nomads of Central Asia were already well accustomed to life under the power of a distant capital when the Bolsheviks fomented revolution on the streets of Petrograd Yet after the fall of the Tsar the nature ambition and potency of that power would change dramatically ultimately resulting in the near eradication of Central Asian nomadism Based on extensive primary source work in Almaty Bishkek and Moscow Nomads and Soviet Rule charts the development of this volatile and brutal relationship and challenges the often repeated view that events followed a linear path of gradually escalating violence Rather than the sedentarisation campaign being an inevitability born of deep rooted Marxist hatred of the nomadic lifestyle Thomas demonstrates the Soviet state s treatment of nomads to be far more complex and pragmatic He shows how Soviet policy was informed by both an anti colonial spirit and an imperialist impulse by nationalism as well as communism and above all by a lethal self confidence in the Communist Party s ability to transform the lives of nomads and harness the

agricultural potential of their landscape This is the first book to look closely at the period between the revolution and the collectivisation drive and offers fresh insight into a little known aspect of early Soviet history In doing so the book offers a path to refining conceptions of the broader history and dynamics of the Soviet project in this key period **The Road to Peace According to Stalin and According to Lenin** James Patrick Cannon,1951 The Germans Under the Tsars, Lenin and Stalin John Philipps,2006 **Russia in Transition** Isaac Deutscher,1957 Essays on the dynamics of Soviet society
 Russia Under Stalin Michael Gibson,1979
