Russian Girl:

Russian Girls Inside Out Anastasia Belarуска, 2019-12-18 What comes to our minds when we hear or come across the word combo Russian girl Beauty grace seduction youth This book would take a look at this from another angle and provide an answer to the secret of the phenomenal impact of the beauty of Slavic girls Beauty does not only connote blessings and happiness but can sometimes cause serious psychical and physical troubles as well as misunderstanding This is a guide to what is happening in the mind of an average Russian girl **The Russian Dating Bible** , American Girls in Red Russia Julia L. Mickenberg, 2017-04-25 If you were an independent adventurous liberated American woman in the 1920s or 1930s where might you have sought escape from the constraints and compromises of bourgeois living Paris and the Left Bank quickly come to mind But would you have ever thought of Russia and the wilds of Siberia This choice was not as unusual as it seems now As Julia L Mickenberg uncovers in American Girls in Red Russia there is a forgotten counterpoint to the story of the Lost Generation beginning in the late nineteenth century Russian revolutionary ideology attracted many women including suffragists reformers educators journalists and artists as well as curious travelers Some were famous like Isadora Duncan or Lillian Hellman some were committed radicals though more were just intrigued by the Soviet experiment But all came to Russia in search of social arrangements that would be more equitable just and satisfying And most in the end were disillusioned some by the mundane realities others by horrifying truths Mickenberg reveals the complex motives that drew American women to Russia as they sought models for a revolutionary new era in which women would be not merely independent of men but also equal builders of a new society Soviet women after all earned the right to vote in 1917 and they also had abortion rights property rights the right to divorce maternity benefits and state supported childcare Even women from Soviet national minorities many recently unveiled became public figures as African American and Jewish women noted Yet as Mickenberg s collective biography shows Russia turned out to be as much a grim commune as a utopia of freedom replete with economic social and sexual inequities American Girls in Red Russia recounts the experiences of women who saved starving children from the Russian famine worked on rural communes in Siberia wrote for Moscow or New York newspapers or performed on Soviet stages Mickenberg finally tells these forgotten stories full of hope and grave disappointments The Life of a Russian Woman Doctor Anna Bek, 2004-11-10 The story of an idealistic Russian woman doctor in pre and postrevolutionary Siberia **Woman in Soviet Russia** Fannina W. Halle, 2024-11-26 Women in Soviet Russia 1933 was the first attempt to provide a comprehensive account of the position of women in the Soviet Union It looks at the history of women s achievements following the 1917 revolution and of the efforts made by the Communists to establish sex equality between man and woman This history embraces every activity of women economical political cultural and biological A survey is provided of women s participation in the civil wars and in the work of the Five Year Plan of woman s role as mother wife worker and political leader of her position in the home in the state and in industry of the attempts of the

Soviets to abolish prostitution of the establishment of creches and maternity clinics of the situation with regard to abortion and methods of birth control of the marriage laws and above all of the development of sex relations in Russia and the emotional life of both old and young Russian women

The Red Cross Girls with the Russian Army Margaret Vandercook,2023-09-20 The Red Cross Girls with the Russian Army by Margaret Vandercook is an engaging novel that continues the adventures of the Red Cross Girls a group of young women dedicated to humanitarian service during World War I In this installment the Red Cross Girls find themselves embarking on a new and challenging mission as they travel to Russia to assist the Russian Army during a critical period of the war The story unfolds against the backdrop of the tumultuous Russian Revolution and the Russian Civil War The Red Cross Girls with their unwavering commitment to aiding those in need face a host of trials and dangers as they navigate the rapidly changing political landscape of Russia As they work alongside the Russian Army the Red Cross Girls witness the impact of the war on the Russian people experience the chaos of the revolution and become entangled in the conflicts of the time Their determination to provide medical care comfort and support to soldiers and civilians alike is a testament to their resilience and dedication Throughout the novel themes of friendship courage and the power of volunteerism are prevalent The Red Cross Girls form deep bonds with each other and the people they serve and their selfless actions reflect the spirit of humanitarianism that defines the Red Cross Margaret Vandercook's storytelling not only offers readers a compelling narrative but also provides historical insights into the turbulent events of early 20th century Russia The Red Cross Girls with the Russian Army is a testament to the importance of compassion and service even in the midst of war and revolution and it pays tribute to the real life heroes of the American Red Cross who served during this challenging period in history

Moscow Mira Bergelson, Dionysios Zoumpalidis, 2024-03-04 Moscow is one of the largest cities in Europe Over the last three decades the linguistic cultural and religious diversity in the Russian mega city has increased substantially On the other hand language policy and language situation received little or no academic attention The collection is closing this gap in the literature and investigates the urban multilingual practices in Moscow A particular focus is placed on the investigation of multimodal interactions within minority groups Ideologies about language play an important role in how communities form and differentiate themselves from others Interestingly the book unearths significant ideological views held about language varieties spoken in Moscow The collection offers interdisciplinary contributions from areas such as education intercultural communication migration studies geography ethnography of communication and community practitioners In sum the reader benefits from an insightful introduction to the complex linguistic situation in the dynamic capital of Russia **The Women's**

Liberation Movement in Russia Richard Stites, 1978-02-21 This book offers a brilliant treatment of many facets of its subject but it also ends up being for the reader one of the finest general histories to be found of these crucial years in Russian history The source material is unbelievably detailed and clearly cited on each page Not only that the writing is at many points the boldest clearest I've almost ever found in the Academy The author's opinions summaries insights easily spill out of the historical constructions The presence of the author's psyche he never hides behind his quotes means the material is contoured The reader gets not only huge amounts of information but an authorial presence as company that is often daring bold insightful revelatory And one stylistic point made me especially happy when Stites uses metaphors to explain history these are revelatory and their internal implications are followed through in the prose from www.goodreads.com Feb 2 2011
