The Broken Crown Michelle West,2018-07-17 The first epic fantasy in the acclaimed Sun Sword series introduces readers to a war torn world of noble houses divided and demon lords unleashed The climactic fireworks are spectacular and the revelations enticing Locus Tor Leonne the heart of the Dominion of Annagar where the games of state are about to become a matter of life and death and where those who seek to seize the crown will be forced to league with a treacherously cunning ally Tor Leonne ancestral seat of power where Serra Diora Maria di Marano the most sought after beauty in the land a woman betrayed by all she holds dear may strike the first blow to change the future of the Dominion and Empire alike Averalaan Aramarelas that most ancient of civilized cities the home of the Essalieyan Imperial court has long been a center of magics both dark and bright And though the Empire won its last war with the Dominion and survived a devastating magic fueled battle with a far deadlier foe both those victories were not without their cost But now the realm is on the brink of a far greater confrontation faced with an unholy alliance that could spell the end of freedom for all mortalkind **The Shining**

Court Michelle West,2018-07-17 The third novel of the acclaimed Sun Sword series returns to a war torn world of noble houses divided and demon lords unleashed In the Dominion those allied with the demons of the Shining Court feared the bargain they d made For to the kialli betrayal was a way of life and every action was a means to gain greater power And as the Festival of the Moon approached the demon kin began to prey upon those in the Tor Leonne But more frightening than their presence was their gift for the Festival masks created not by human craftsmen but by the kialli Even the magic and knowledge of the greatest of the Dominion s Widan had been unable to discern what trap the masks contained and time to discover and avert this menace was running out In the Empire the armies were mobilizing for war But before they carried the battle to the Dominion Seer Jewel ATerafin would be forced to follow her own destiny For what she d seen in vision she could not deny And so Jewel with only Avander to guard her back would abandon House Terafin on the eve of its greatest peril and journey into the darkness which was fast overshadowing the mortal lands And among the Voyani the moment had come to make their final stand against Allasakar Lord of the Hells for they alone had kept to the old ways guarding the ancient knowledge But hounded by their enemies and with one their greatest treasures hidden in the Tor Leonne could they withstand the power of the Shining Court

By the early middle ages vernacular aristocratic traditions of heroic narration were firmly established in Western and Northern Europe Although there are regional linguistic and formal differences one can observe a number of similarities Oral literature disseminates a range of themes that are shared by narratives in most parts of the continent In all the European regions this tradition of heroic narration came into contact with Christianity which led to modifications Similar processes of adaptation and transformation can be traced everywhere in this field of early European vernacular narrative But with the increasing specialization of academic fields over the last half century inter disciplinary dialogue has become increasingly difficult The volume is a contribution to renew the inter disciplinary dialogue about common themes topics and motifs in Nordic Roman Anglo Saxon and Germanic literature and about the different methodologies to explore them
