Asian American History and Culture: An Encyclopedia Huping Ling,Allan W. Austin,2015-03-17 With overview essays and more than 400 A Z entries this exhaustive encyclopedia documents the history of Asians in America from earliest contact to the present day Organized topically by group with an in depth overview essay on each group the encyclopedia examines the myriad ethnic groups and histories that make up the Asian American population in the United States Asian American History and Culture covers the political social and cultural history of immigrants from East Asia Southeast Asia South Asia the Pacific Islands and their descendants as well as the social and cultural issues faced by Asian American communities families and individuals in contemporary society In addition to entries on various groups and cultures the encyclopedia also includes articles on general topics such as parenting and child rearing assimilation and acculturation business education and literature More than 100 images round out the set
Bookpeople Sharron L. McElmeel,1992-06-15 Fifteen units focus on authors who speak about their ethnic heritage through their books and those who write or illustrate multicultural materials Each unit includes a full size photograph and a brief biography containing bits of background information that will fascinate students Activities that reinforce the multicultural theme and bibliographies of related books and films are also featured Ideal for the media center and the integrated curriculum Grades 1 6
Cultural Journeys Pamela S. Gates,Dianne L. Hall Mark,2010-08-16 As multicultural education is becoming integral to the core curriculum teachers often implement this aspect into their courses through literature However standards and criteria to teach and promote active discussion about this literature are sparse Cultural Journeys introduces pre service and experienced teachers to the use of literature to promote active discussions that lead students to think about racial diversity More than just an annotated list of books for children Pamela S Gates and Dianne L Hall Mark provide systematic guidelines that teachers can use throughout their careers to evaluate multicultural literature for students in grades K 8 At the same time the text leads the reader to a deeper understanding of how to use multicultural literature throughout the entire curriculum and not just during specially designated months or time periods With the example unit plans and extensive annotated bibliography this book is a valuable resource that pre service teachers will utilize when they begin teaching and in service teachers will reference repeatedly during their planning periods

The Legend of Gold and Other Stories Jun Ishikawa, 1998-10-01 The four stories and novella translated in this volume represent the best short fiction by Ishikawa Jun 1899 1987 one of the most important modernist writers to appear on the Japanese literary stage during the years before and after World War II Throughout his career Ishikawa resisted the tide of popular opinion to address issues of political and artistic significance and thereby paved the way for a generation of Japanese internationalists and experimentalists including Abe Kobo and Oe Kenzaburo Highly acclaimed and respected in Japan Ishikawa remains little known in the West in part because of the tendency of Western critics and readers of Japanese literature to focus on writers concerned with aesthetic issues Combining a strong interest in politics with a brilliant use of

modernist techniques Ishikawa's work defies easy categorization Banned in 1938 *Mars Song* has been called the finest example of anti war fiction written during Japan's march to war in China and the Pacific In it Ishikawa denounces the chorus of jingoism that swept Japan and via a metafictional tale within a tale he warns against the suicidal destruction to which complicity in warmongering will lead The allegorical *Moon Gems* written in the spring of 1945 further explores the tenuous position of the writer moving against the current in a country not only still at war but very near defeat In *The Legend of Gold* and *The Jesus of the Ruins* both from 1946 Japan has been reduced to a charred wasteland yet Ishikawa envisions destruction as fertile ground for rebirth and resurrection Finally the semi surrealist novella *The Raptor* plumbs the meanings and possibilities of peace in the post Occupation era William Tyler's eminently readable translations are faithfully expressive of stylistic and tonal nuances in the original works In a perceptive introduction and the critical essays that follow Tyler emphasizes Ishikawa's importance as an anti establishment even resistance writer and argues that the writer's political iconoclasm goes hand in hand with the modanizumu of his literary experimentation *The Legend of Gold* will be of tremendous importance in enlarging a Western understanding of the development of the writer's role as social critic and the evolution of the modernist movement in postwar Japan **Wisconsin Library Bulletin**, 1965 **Japan Through Children's Literature** Roberta K. Gumpert, 1985-11-19 Japan Through Children's Literature should prove a useful bibliography in public and school libraries for collection building and reader's guidance Reference Books Bulletin The book is a marvelous resource for teachers who teach Japan to children and young adults The ALAN Review This bibliography of children's books on Japan is designed to help young Americans acquire a more accurate image and understanding of Japanese culture The annotations for trade books published from the mid sixties to the present will help teachers librarians and interested parents select appropriate materials from the vast numbers of books available Each book is evaluated in terms of content and accuracy in portraying Japan and the Japanese culture and people and a suggested grade level is indicated Annotations are divided by subject and cross references are supplied when the book belongs in more than one subject area A glossary and author and title indexes enhance the accessibility of the information contained in this volume *Library Journal*, 1967 **American Book Publishing Record Cumulative, 1950-1977: Fiction.
