In Cod We Trust Heather Atwood, 2015-07-15. When people think of dock side dining in Massachusetts they imagine buttery toasted lobster rolls, steaming bowls of creamy fish chowder and alabaster white slabs of baked cod piled with bread crumbs but its rich and varied cuisine reflects all who have come to call these seaports home. Cultures including Sicilian, Portuguese, Finnish and Irish that fished and worked the granite quarries there a century ago were so tightly bound that generations have stayed and continue to leave their culinary mark on coastline. *In Cod We Trust* features over 175 recipes that celebrate the area's unique place in the culinary world and is a photographic journey for both people who love the area and those who hope to visit one day.
