## **Seabiscuit An American Legend:**

Seabiscuit Laura Hillenbrand, 2007 Seabiscuit is the true story of three men and their dreams for a racehorse These dreams symbolised a pivotal moment in American history when the 20th century's greatest nation found the courage to bet on itself to win against the odds Seabiscuit Laura Hillenbrand, 2001-05-01 Laura Hillenbrand author of the runaway phenomenon Unbroken brilliantly re-creates a universal underdog story in this 1 New York Times bestseller Seabiscuit was one of the most electrifying and popular attractions in sports history and the single biggest newsmaker in the world in 1938 receiving more coverage than FDR Hitler or Mussolini But his success was a surprise to the racing establishment which had written off the crooked legged racehorse with the sad tail Three men changed Seabiscuit's fortunes Charles Howard was a onetime bicycle repairman who introduced the automobile to the western United States and became an overnight millionaire When he needed a trainer for his new racehorses he hired Tom Smith a mysterious mustang breaker from the Colorado plains Smith urged Howard to buy Seabiscuit for a bargain basement price then hired as his jockey Red Pollard a failed boxer who was blind in one eye half crippled and prone to quoting passages from Ralph Waldo Emerson Over four years these unlikely partners survived a phenomenal run of bad fortune conspiracy and severe injury to transform Seabiscuit from a neurotic pathologically indolent also ran into an American sports icon From the Hardcover edition **Seabiscuit**, 2008

*Seabiscuit: An American Legend (Trade Edition)* Laura Hillenbrand, 2002-03 One of the greatest sports legends of the 20th century Seabiscuit was a discarded bottom level racehorse who became a champion with the help of three men a trainer an owner and a jockey *Seabiscuit* Laura Hillenbrand, 2001 In 1936 the habits of 19th century America were finally consigned to history just as Margaret Mitchell's *Gone with the Wind* was published In their place modern America was born But what defined this new era Nothing more than the story of Seabiscuit a stunted colt with asymmetrical knees that had for two years been hacked around no good race tracks which led to permanent leg damage **A Study Guide for Laura**

Hitler or Mussolini Nor was it Lou Gehrig or Clark Gable The subject of the most newspaper column inches in 1938 wasn't even a person It was an undersized crooked legged racehorse named Seabiscuit Laura Hillenbrand *Seabiscuit An American Legend* Of all the things that a nation or even an individual need to survive a crisis none is perhaps as necessary as hope That feeling that somehow one can survive win even though the odds are stacked against them and the outlook is grim Throughout its history the United States has been blessed often when most needed with hope from a strange place In 1778 it came when the French joined the American Revolution and in 1980 it was brought home with Olympic Gold by the men's hockey team But in the late 1930s during the midst of the Great Depression it came in the form of a horse named Seabiscuit Americans have always loved animals and those living prior to World War II were still close enough to their pioneer roots to feel a special affection for horses After all it was these noble animals that had carried soldiers and pulled plows and milk wagons alike A horse was more than just a pet it was a partner in the fight for survival Just as many Americans had known special unforgettable individuals so they had known special horses Seabiscuit was one of these and even the animal's name spoke to the heart of those struggling A sea biscuit was a piece of bread baked for so long in such a low oven that it was completely dry and would never mold It was so tough that it had to be soaked in water sometimes even rainwater before it could be eaten But it was nutritious and would allow a sailor to do his duty for one more hour helping keep him alive until he reached a safe harbor Seabiscuit was in many ways like his cracker namesake for he was cultivated in many small races until he was ready for the big league He was also at his best when soaked in the affection and attention given to him by his owners trainer and jockeys Most of all his wins and even his losses came to nourish a desperate nation and inspire its citizens to keep going until they reached a safer harbor of financial stability He was also a friend an inspiring leader who would rank in popularity and respect along with men like Roosevelt and Churchill It is possible perhaps even likely that had he been born in another place and time his name might never have been known outside of the racing world but as one Horatio Alger story appealing to a nation full of them his name became a household word and helped secure him a legacy as perhaps the most famous horse in history *Seabiscuit The Life of the Most Famous Horse in American History* looks at the life and career of the famous thoroughbred Along with pictures of important people places and events you will learn about Seabiscuit like never before in no time at all

**Docudrama Performs the Past** Steven N. Lipkin, 2011-01-18 Docudramas films and movies of the week based on true stories offer their audiences performance as persuasion As docudramas re create actual people and events these works perform their material The premises of docudramas persuasive arguments operate within the basic settings that stage performances of noteworthy events the events of war and the lives of noteworthy individuals In performing the past docudramas offer us a performance of memory Through docudramatic performance the memories of others become ours The performance of memory roots docudramatic representation in actuality and indicates the responsibility to serve the past that helps make docudrama a distinctive mode of representation The spirit of obligation to the past also frames the ethical considerations docudrama raises as performance in docudrama shapes public memory

Docudrama Performs the Past examines the spectrum of arguments docudramas offer as their re creations reason from the arenas of events such as the hijacking of United Airlines Flight 93 wars ranging from World War II to Iraq and the lives of actors athletes and politicians The case studies developed in each chapter show how docudrama s re creation of true stories its performance of memory warrants the claims it forwards about how to remember the past The aggregate of examining works made since the late 1990s allows us to see how as recurring contexts the arenas of docudramatic argument ground action and identity in the settings that frame performance structure the moral value of the contestation that ensues and shape the public memory of the past that docudramas perform
