The Seagram Museum, Waterloo, Ontario, Canada Seagram Museum (Waterloo, Ont.), 1984 *The Spirit of Rye* Carlo DeVito, 2021-11-30 From Top Shelf Classics to an amazing array of expressions from far flung craft distilleries The Spirit of Rye celebrates rye whiskey's distinguished history and its contemporary revival Inside you'll find Detailed tasting notes for over 400 expressions from more than 300 distilleries Interviews with master distillers Regional chapters that make it easy to explore essential distilleries Hundreds of photographs of bottles distilleries and the distillers behind them The Spirit of Rye is ideal for both whiskey connoisseurs and those looking to learn more about how distillers have revisited the roots of rye to reinvigorate tradition Book jacket *The Shaken and the Stirred* Stephen Schneider, Craig N. Owens, 2020-09-01 Over the past decade the popularity of cocktails has returned with gusto Amateur and professional mixologists alike have set about recovering not just the craft of the cocktail but also its history philosophy and culture The Shaken and the Stirred features essays written by distillers bartenders and amateur mixologists as well as scholars all examining the so called Cocktail Revival and cocktail culture Why has the cocktail returned with such force Why has the cocktail always acted as a cultural indicator of class race sexuality and politics in both the real and the fictional world Why has the cocktail revival produced a host of professional organizations blogs and conferences devoted to examining and reviving both the drinks and habits of these earlier cultures *Barton Myers* Jocelyn Gibbs, Kris Miller-Fisher, Charles Warner Oakley, Luis Hoyos, Howard Shubert, Bruce Robertson, Natalie Shivers, 2019-07-05 Drawing on the vast archival resources of its Architecture and Design Collection the UCSB Art Design Architecture Museum University of California Santa Barbara presents an assessment of 50 years of design by Barton Myers b 1934 beginning with his work in the Toronto firm A J Diamond and Barton Myers 1967 1975 to his own offices in Toronto and Los Angeles Barton Myers Associates 1975 present Myers's strongest architectural ideas come out of the planning strategies of his early neighborhood activism in 1970s Toronto his grounding in history and his training in the classical traditions of site and space planning Barton Myers is an avowed urbanist a self described radical in his early advocacy of old fashioned qualities like density mixed use of new and repurposed materials and contextual planning in the late 1960s when that fundamentally conservative position was considered counter culture Myers urban manifesto was codified in Vacant Lottery the title of the Design Quarterly issue co edited by Myers and Canadian architect and educator George Baird in 1978 and which led to a renewal of interest in urban planning and offered a strategy for increasing population densities within cities while preserving the existing residential fabric The term lived on long past the journal's circulation cycle as both an urban infill strategy and an acknowledgment of the ceding of city planning responsibility to the lottery of private developers Myers's design practice has thus always been a social justice practice as well Myers is also a brilliant designer of residential houses that take advantage of local landscape contexts and adaptive reuse of building materials including steel and glass Five essays on urban planning civic structures reuse of historic

buildings single and multi family housing and theaters reinforce Myers s commitment to urbanism and reveal his flexibility with modes of modernism Natalie Shivers introduces the early planning work in Toronto and traces the vacant lottery idea of neighborhood infill to the influential Grand Avenue project in Los Angeles Howard Shubert examines the architectural and planning strategies and political complexities of several civic structures in Canada and the United States Luis Hoyos explores Myers s additions and adaptations to historic buildings in diverse urban contexts Lauren Bricker focuses on the use of steel and other industrial materials in Myers s houses and analyses the neighborhood based designs of his multi family housing Charles Oakley describes the technical innovations site planning and historical underpinnings of Myers s theaters and performance complexes

Spirited Commitment Roderick MacLeod, Eric John Abrahamson, 2010-04-16 Showing how the SSBFF has balanced its commitments to Jewish charitable causes and to Canadian culture Spirited Commitment explores how the Foundation dealt with the challenge of respecting the wishes of its famous founders while still making a difference in contemporary Canadian society A detailed account of the Foundation s numerous programs over three decades including the Centre for Cultural Management and the Saidye Bronfman Centre Spirited Commitment highlights the innovations that SSBFF grants have led to in the arts community development and scientific research An illuminating and vibrant portrait of the personalities motivations and strategies behind the Samuel and Saidye Bronfman Family Foundation Spirited Commitment is a revealing insightful account of the inner workings of philanthropic foundations

Hines,2019-01-22 A comprehensive and fascinating look at the history of the Museum of Modern Art s Architecture and Design Department under the leadership of the influential curator Arthur Drexler Arthur Drexler 1921 1987 served as the curator and director of the Architecture and Design Department at the Museum of Modern Art MOMA from 1951 until 1986 the longest curatorship in the museum s history Over four decades he conceived and oversaw trailblazing exhibitions that not only reflected but also anticipated major stylistic developments Although several books cover the roles of MoMA s founding director Alfred Barr and the department s first curator Philip Johnson this is the only in depth study of Drexler who gave the

department its overall shape and direction During Drexler s tenure MoMA played a pivotal role in examining the work and confirming the reputations of twentieth century architects among them Frank Lloyd Wright Le Corbusier Richard Neutra Marcel Breuer and Ludwig Mies van der Rohe Exploring unexpected subjects from the design of automobiles and industrial objects to a reconstruction of a Japanese house and garden Drexler s boundary pushing shows promoted new ideas about architecture and design as modern arts in contemporary society The department s public and educational programs projected a culture of popular accessibility offsetting MoMA s reputation as an elitist institution Drawing on rigorous archival research as well as author Thomas S Hines s firsthand experience working with Drexler Architecture and Design at the Museum of Modern Art analyzes how MoMA became a touchstone for the practice and study of midcentury architecture

Avery Index to Architectural Periodicals Avery Library,1994 *Alcohol and Drugs in North America* David M. Fahey,Jon S. Miller,2013-08-27 Alcohol and drugs play a significant role in society regardless of socioeconomic class This encyclopedia looks at the history of all drugs in North America including alcohol tobacco prescription drugs cannabis cocaine heroin methamphetamine and even chocolate and caffeinated drinks This two volume encyclopedia provides accessibly written coverage on a wide range of topics covering substances ranging from whiskey to peyote as well as related topics such as Mexican drug trafficking and societal effects caused by specific drugs The entries also supply an excellent overview of the history of temperance movements in Canada and the United States trends in alcohol consumption its production and its role in the economy as well as alcohol s and drugs roles in shaping national discourse the creation of organizations for treatment and study and legal responses This resource includes primary documents and a bibliography offering important books articles and Internet sources related to the topic **The Canadian Encyclopedia** James H. Marsh,1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and

their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada
