Has Failed Ms. Michel Moore, 2018-10-30 Terrell wasn't raised in the corrupt streets of Detroit. After being abused and left for dead by his violent psychotic father, he was raised by his aunt and uncle in a loving home in the suburbs. However, he never lost touch with his mother, whose selfish scheming sparked the fire that led to that fateful night when Terrell became disabled. Now that he's an adult, his tainted bloodline has other plans for the wheelchair-bound teenager. Throwing away his silver spoon, Lil T easily favors an oversized 40 cal he keeps tucked on his lap. With Simone, his wicked-minded mother co-signing his every criminal move, Terrell hopes he can rise up to be half the man he believes his deceased father was, even though Kamal was the one to put him in the iron wheeled casket. A product of the system, Terrell is haunted by his past but he's determined not to let anything stop his shine.

Windfall Erika Bolstad, 2023-01-17 Beneath the windswept North Dakota plains, riches await. At first, Erika Bolstad knew only one thing about her great grandmother, Anna: she was a homesteader on the North Dakota prairies in the early 1900s before her husband committed her to an asylum under mysterious circumstances. As Erika's mother was dying, she revealed more: Their family still owned the mineral rights to Anna's land, and oil companies were interested in the black gold beneath the prairies. Their family, Erika learned, could get rich thanks to the legacy of a woman nearly lost to history. Anna left no letters or journals, and very few photographs of her had survived. But Erika was drawn to the young woman who never walked free of the asylum that imprisoned her. As a journalist well-versed in the effects of fossil fuels on climate change, Erika felt the dissonance of what she knew and the barely acknowledged whisper that had followed her family across the Great Plains for generations: we could be rich. Desperate to learn more about her great grandmother and the oil industry that changed the face of the American West forever, Erika set out for North Dakota to unearth what she could of the past. What she discovers is a land of boom and bust cycles and families trying their best to eke out a living in an unforgiving landscape, bringing to life the ever-present American question: What does it mean to be rich?

The Pearl's Secret Vincent Lea S., 2024-10-21 America was racing full steam into the future. Industry and innovation led the way with the promise of prosperity, giving hope that even the commoner could climb above the threshold of poverty, keeping the hunger wolf at bay. Automobiles expanded horizons, bringing nearby communities within a day's trip. The thrill of new inventions and modernization created an excitement of what new and wondrous things could be next. Euphoric excitement was like a drug propelling the nation into the latter of the Golden Age; however, everything involved a dance of concessions, hard work, wit, and in a world where promiscuity and crime were commonplace, could innocence still conquer a
