Search For Order Biblical Eschatology In Focus:

The Search for Order W.J. Dumbrell, 2001-10-29 The Bible's eschatological framework is spread across the table for all to see in *The Search for Order* showing the unfolding of God's total plan for history not just the last days In a world disordered by sin Scripture describes God's goal as a reordering of corrupted creation according to William J Dumbrell The author takes into account current positions as he looks for the big eschatological picture with the same thorough approach to biblical theology he brought to *The End of the Beginning* and *Covenant and Creation* In the resulting thematic survey students are allowed to draw their own conclusions about the Bible's overall position on the climactic scenes of history Ultimately they learn to conceive of eschatology less as an expectant construction of future events than as a theological approach to comprehending what God is doing today The search for order : biblical eschatology in focus William J. Dumbrell, 1992

Making Sense of the Future Wayne A. Grudem, 2011-02-01 Wayne Grudem's *Systematic Theology* is required reading in many courses on biblical theology and with good reason The textbook's emphasis on the scriptural basis for each doctrine along with its clear writing and contemporary approach make it an indispensable resource for many Christians This series presents as a separate book each of the seven main parts that make up the 1 600 page *Systematic Theology* making it more portable affordable and less daunting Part 7 *Making Sense of the Future* explores the fulfillment of Scripture the bodily return of Christ Important Topics Discuss the primary views of the Millennium thousand years Amillennialism the reign of Christ is now being fulfilled Postmillennialism Christ will return after the millennium Premillennialism Christ will come back after the millennium Whichever view the reader subscribes to the end result is clear there will be a sudden personal visible bodily return of Christ Written in a friendly tone appealing to the emotions and the spirit as well as the intellect *Making Sense of the Church* helps readers overcome wrong ideas make better decisions on new questions and grow as Christians

A Case for Amillennialism Kim Riddlebarger, 2013-08-15 Amillennialism dispensational premillennialism historic premillennialism postmillennialism preterism These are difficult words to pronounce and even harder concepts to understand *A Case for Amillennialism* is an accessible look at the crucial theological question of the millennium in the context of contemporary evangelicalism Recognizing that eschatology the study of future things is a complicated and controversial subject Kim Riddlebarger provides definitions of key terms and a helpful overview of various viewpoints He examines related biblical topics as a backdrop to understanding the subject and discusses important passages of Scripture that bear upon the millennial question Regardless of their stance readers will find helpful insight as Riddlebarger evaluates the main problems facing each of the major millennial positions and cautions readers to be aware of the spiraling consequences of each view

Listen, Understand, Obey Caleb T. Friedeman, 2017-05-17 This volume brings together a diverse group of scholars including biblical systematic and historical theologians to honor Gareth Lee Cockerill longtime professor of New Testament at Wesley Biblical Seminary Jackson MS and distinguished scholar of the book of Hebrews The essays focus on various

aspects of Hebrews theology ranging from the nature of rest in Hebrews to the interpretation of Hebrews in early Methodism Readers will find resources to hear and comprehend Hebrews afresh and will be challenged to draw near to the throne of grace with confidence Heb 4 16 Union with the Resurrected Christ G. K. Beale,2023-04-25 Southwestern Journal of Theology 2023 Book Award Biblical Studies Union with Christ is an important theological and practical concept that has received considerable attention in recent years But not much consideration has been given to this union and its benefits in light of Jesus s resurrection and ascension In this follow up to his monumental A New Testament Biblical Theology G K Beale summarizes and expands on that work with an eye to fleshing out the theological implications of the resurrection and ascension Beale explains that Christ s resurrection and ascension place him as the beginning of the eschatological fulfillment of the new creational kingdom Specifically Christ is the fulfillment of a cluster of nineteen Old Testament end time expectations These eschatological realities attributed to Christ are imprinted on believers through their dynamic union and identification with him Through careful exegesis Beale explores these facets and deliberately draws out important practical applications for everyday Christian living in the overlap of the old creation and the new Students of the New Testament will benefit from this important contribution to New Testament theology **Bound for the Promised Land** Oren

Martin,2015-02-23 In this New Studies in Biblical Theology volume Oren Martin demonstrates how within the redemptive historical framework of God s unfolding plan the land promise to Israel advances the place of the kingdom that was lost in Eden anticipating the even greater land prepared for all of God s people that will result from the person and work of Christ

The Last Things David Höhne,2019-06-25 In this final Contours of Christian Theology volume David H hne offers a trinitarian theological description of eschatology that is at once systematic generated from the theological interpretation of Scripture and yet sensitive to essential elements for Christian practice His reading of the Bible is shaped by the gospel informed by the history of Christian thought and dedicated to serving the church **The Community of Jesus** Kendell H.

Easley,Christopher W. Morgan,2013 A biblical historic systematic and missional theology of the church with contributions from noted academic leaders including Andreas J K stenberger David S Dockery Kendell H Easley Christopher W Morgan and several others In These Last Days Graeme Goldsworthy,2024-11-15 Graeme Goldsworthy s In These Last Days The

Dynamics of Biblical Revelation emphasizes the dynamic nature of divine revelation Goldsworthy illustrates throughout his work that God is not static Rather he is always actively involved in history both in the life of Israel and the church Goldsworthy argues that understanding these historical contexts in the Old and New Testaments is crucial for proper interpretation Divided into four sections exploring God s word being actions and people In These Last Days offers a biblical and theological guide to accurately interpreting and applying Scripture for the life of the church today **The Gospel and the Mind** Bradley G. Green,2010-11-03 History demonstrates that wherever the cross is planted the academy follows But history alone cannot demonstrate why this is and must be the case Green engages theology and philosophy to prove that the

Christian vision of God mankind and the world provides the necessary precondition for and enduring foundation of meaningful intellectual life The Gospel and the Mind deeply rooted in Augustinian and Reformed thought shows that core principles of the West's Christian inheritance such as creation and the importance of history the centrality of a telos to all things and the logos and the value of words form the matrix of any promising and sustainable intellectual life More than a lament of the state of the evangelical mind or even an argument for the primacy of a Christian worldview The Gospel and the Mind is a paradigm shifting declaration that the life of the mind starts at the cross

Shaping a Christian Worldview David S. Dockery, Gregory Alan Thornbury, 2002 Shaping a Christian Worldview presents a collection of essays that address the key issues facing the future of Christian higher education With contributions from key players in the field this book addresses the critical issues for Christian institutions of various traditions as the new century begins to leave its indelible mark on education

Be a Blessing Elizabeth Ellen Ostring, 2016-03-08 Utilizing the techniques of narratology and literary analysis this study examines the foundational biblical text of Genesis to develop the theology of ordinary human work that emerges from it The study offers a history of Christian theologies of human work as well as a unique approach to both the topic of work and the literary structure of Genesis The emerging concept of blessing rather than achievement provides a refreshing and yet practical approach to human work This is a valuable complement to the current interest in this topic and one that although challenging some current concepts is encouraging

Preaching the Whole Bible as Christian Scripture Graeme Goldsworthy, 2000-06-26 While strong gospel centered preaching abounds many Christian pastors and lay preachers find it difficult to preach meaningfully from the Old Testament This practical handbook offers help Graeme Goldsworthy teaches the basics of preaching the whole Bible in a consistently Christ centered way Goldsworthy first examines the Bible biblical theology and preaching and shows how they relate in the preparation of Christ centered sermons He then applies the biblical theological method to the various types of literature found in the Bible drawing out their contributions to expository preaching focused on the person and work of Christ Clear complete and immediately applicable this volume will become a fundamental text for teachers pastors and students preparing for ministry

Rethinking Hell Christopher M. Date, Gregory Stump, Joshua Anderson, 2014-04-15 Most evangelical Christians believe that those people who are not saved before they die will be punished in hell forever But is this what the Bible truly teaches Do Christians need to rethink their understanding of hell In the late twentieth century a growing number of evangelical theologians biblical scholars and philosophers began to reject the traditional doctrine of eternal conscious torment in hell in favor of a minority theological perspective called conditional immortality This view contends that the unsaved are resurrected to face divine judgment just as Christians have always believed but due to the fact that immortality is only given to those who are in Christ the unsaved do not exist forever in hell Instead they face the punishment of the second death an end to their conscious existence This volume brings together excerpts from a variety of well respected evangelical thinkers including John Stott John Wenham and E Earl Ellis as they

articulate the biblical theological and philosophical arguments for conditionalism These readings will give thoughtful Christians strong evidence that there are indeed compelling reasons for rethinking hell

God's Sabbath with Creation James W. Skillen, 2019-04-09 The biblical story is about more than sin and salvation It is about the creator's purposes and the fulfillment of those purposes in the climactic revelation of God's glory in Sabbath with creation Christ Jesus is the Alpha and the Omega the one through whom all things are created and all things are fulfilled We are creatures made in God's image called to develop and govern the earth in service to God The exercise of human responsibility in this age plays a major part in the revelation of God's glory Every vocation matters for creation's seventh day fulfillment family friendships worship civic responsibility and our work in every sphere of life The Son of God became one with us He died for sinners while they still rebelled and he was raised to life as the last Adam the life giving Spirit of the age to come Christ is reconciling all things to God including all that belongs to the responsibility of God's sixth day royal priesthood That is why God's promise in Christ is that those who die in the Lord will rest from their labors and their deeds will follow them

Slaves, Women & Homosexuals William J. Webb, 2009-08-20 This volume by William J Webb explores the hermeneutical maze that accompanies any treatment of these three controversial topics and takes a new step toward breaking down walls within the evangelical community related to them

Until the Spirit Comes Wonsuk Ma, 1999-01-01 The surge of the Pentecostal movement in this century has brought new relevance to the study of the Spirit of God in the Old Testament Surprisingly however this theme has been largely neglected by Pentecostal scholars Ma seeks to fill this gap by providing an in depth study of the spirit of God in the Isaianic traditions He argues that the Old Testament concept of the Spirit of God has more than one root and that the development of the various spirit traditions can be fruitfully traced The

study utilizes a synchronic approach together with historical analyses in order to elucidate the message of the book of Isaiah. The author concludes that the concept of the Spirit of God retains a strong eschatological significance throughout the book.

World Mission Scott N. Callahan, Will Brooks, 2019-06-12. World missions needs a fully biblical ethos. This is the contention of the editors and contributors to *World Mission*, a series of essays aimed at reforming popular approaches to missions. In the first set of essays contributors develop a biblical theology of world missions from both the Old and New Testaments, arguing that the theology of each must stand in the foreground of missions, not recede into the background. In the second they unfold the Great Commission in sequence, detailing how it determines the biblical strategy of all mission enterprises. Finally, they treat current issues in world missions from the perspective of the sufficiency of Scripture. Altogether, this book aims to reform missions to be thoroughly, not just foundationally, biblical—a needed correction even among the sincerest missionaries.
