The Lion that Swallowed Hemingway Orest Stocco,2014-07-06 The saddest people in the world are those that have been brought as far as life can take them in the evolution of their individuality because the longing in their soul for wholeness and singleness of self cannot be satisfied by life and one does not know what to do to fill the hollow in their soul and be the person they are destined to be like my high school hero Ernest Hemingway No matter how much life he experienced he never seemed to get enough of it like marlin fishing in the Gulf Stream which so tested his manhood that he had to prove himself over and over and over again and in the process winning trophies and adulation that fed his massive ego which in turn demanded more attention a never ending cycle that drove the great author to despair and suicide *Dreams from the Other Side* Alex Lukeman,2002-03-21 The stories in this book are all true Many are dreams of loved ones who returned to the dreamer days months or even years after death Alex Lukeman stresses the fact that while some dreams of the departed are psychological in nature there are also such things as true dreams of return In these a sense of completion and deep connection is always present **Dear and Glorious Physician** Taylor Caldwell,2012-06-04 Two thousand years ago St Luke was known as Lucanus one of the greatest physicians of the ancient world Taylor Caldwell brings him to life in this portrait of a complex and brilliant man and the colorful Roman society in which he lived

Your Soul William Bray, 2006-10-30 Your Spiritual Lineage Researching the Genealogy of Your Soul Pioneering a New Understanding of the Origins of Personality Development Traditional psychology proposes that personality development begins at birth Instead this new study proposes that each of us has subconscious memories of past lives that form a much earlier origin A child prodigy may be selectively remembering talents skills and accomplishments from a previous lifetime that he is building on early in this one We are drawn to professions we are familiar with because we've done them before and may choose places to live visit or vacation because they are pleasant and familiar to us from a past life walking on our own faded footprints without realizing it When one of his students in conversation began quoting poetry of Arthur Rimbaud without knowing it author William E Bray began exploring the possibility that his student might have been Rimbaud in a past lifetime Subsequent research led him to develop a lineage chart showing that the spiritual lineage of Rimbaud stretched back through Andre Breton Virgil and Alexander the Great He shows how the adventures of Aeneas would have been based on Virgil's subconscious memories of his own exploits when he would have been Alcibiades in a past life Each chapter leads the reader through an exciting search to discover the past lives of some of the world's most important figures The book is also written as a guide to help the reader learn how to research his own past lives **The Everything Dreams Book** Jenni Kosarin, 2005-07-01 Now fully revised with an all new interior design this expanded edition of The Everything Dreams Book provides even more explanation of the subconscious additional dream symbols and even greater depth of explanation about dreams themselves This second edition explains how to Interpret nightmares and fantasies Find meaning in symbols and images from eyes to birds to familiar people Remember dreams *Gurdjieff Was Wrong But His Teaching Works* Orest Stocco, 2016-02-07 Gurdjieff was wrong but his teaching works is the story of one man's remarkable journey of self discovery which dispels the Gurdjieffian premise that man is not born with an immortal soul With his own quest Orest Stocco illustrates that we are all born with a spark of divine consciousness but not until we take evolution into our own hands which Gurdjieff's teaching helped him to do will we realize our true self
