Searching For Mercy Street My Journey Back To My Mother Anne Sexton:

Searching for Mercy Street Linda Gray Sexton, 2011-04-10 A New York Times Notable Book of the Year A candid often painful depiction of a daughter's struggles to come to terms with her powerful and emotionally troubled mother the Pulitzer Prize winning poet Anne Sexton New York Times This is an honest unsparing memoir of the anguish and fierce love that bound a difficult mother and the daughter she left behind Linda Sexton was 21 when her mother killed herself and now she looks back remembers and tries to come to terms with her mother's life Growing up with Anne Sexton was a wild mixture of suicidal depression and manic happiness inappropriate behavior and midnight trips to the psychiatric ward Anne taught Linda how to write how to see how to imagine and only Linda could have written a book that captures so vividly the intimate details and lingering emotions of their life together Searching for Mercy Street speaks to everyone who admires Anne Sexton and to every daughter or son who knows the pain of an imperfect childhood **Anne Sexton** Paula M. Salvio, 2012-02-01

Winner of the 2008 Critics Choice Award presented by the American Educational Studies Association A Pulitzer Prize winning poet who confessed the unrelenting anguish of addiction and depression Anne Sexton 1928 1974 was also a dedicated teacher In this book Paula M Salvio opens up Sexton's classroom uncovering a teacher who willfully demonstrated that the personal could also be plural Looking at how Sexton framed and used the personal in teaching and learning Salvio considers the extent to which our histories both personal and social exert their influence on teaching In doing so she situates the teaching life of Anne Sexton at the center of some of the key problems and questions in feminist teaching navigating the appropriate distance between teacher and student the relationship between writer and poetic subject and the relationship between emotional life and knowledge Examining Sexton's pedagogy with its weird abundance of tactics and strategies Salvio argues that Sexton's use of the autobiographical I is as much a literary identity as a literal identity one that can speak with great force to educators who recognize its vital role in the humanities classroom Half in Love Linda Gray Sexton, 2012-01-10 After the agony of witnessing her mother's multiple and ultimately successful suicide attempts Linda Gray Sexton daughter of the acclaimed poet Anne Sexton struggles with an engulfing undertow of depression Here with powerful unsparing prose Sexton conveys her urgent need to escape the legacy of suicide that consumed her family a topic rarely explored even today in such poignant depth Linda Gray Sexton tries multiple times to kill herself even though as a daughter sister wife and most importantly a mother she knows the pain her act would cause But unlike her mother's story Linda's is ultimately one of triumph Through the help of family therapy and medicine she confronts deep seated issues and curbs the haunting cycle of suicide she once seemed destined to inherit Art and Madness Fred Goodwin, 2001-02 **Encyclopedia of Motherhood** Andrea O'Reilly, 2010-04-06 In the last decade the topic of motherhood has emerged as a distinct and established field of scholarly inquiry A cursory review of motherhood research reveals that hundreds of scholarly articles have been published on almost every motherhood theme imaginable The Encyclopedia of Motherhood is a collection of

approximately 700 articles in a three volume A to Z set exploring major topics related to motherhood from geographical historical and cultural entries to anthropological and psychological contributions In human society few institutions are as important as motherhood and this unique encyclopedia captures the interdisciplinary foundation of the subject in one convenient reference The Encyclopedia is a comprehensive resource designed to provide an understanding of the complexities of motherhood for academic and public libraries and is written by academics and institutional experts in the social and behavioural sciences

Feast of Excess George Cotkin,2015-11-13 In 1952 John Cage shocked audiences with 4 33 his compositional ode to the ironic power of silence From Cage s minimalism to Chris Burden s radical performance art two decades later in one piece he had himself shot the post war American avant garde shattered the divide between low and high art between artist and audience They changed the cultural landscape Feast of Excess is an engaging and accessible portrait of The New Sensibility as it was named by Susan Sontag in 1965 The New Sensibility sought to push culture in extreme directions either towards stark minimalism or gaudy maximalism Through vignette profiles of prominent figures John Cage Patricia Highsmith Allen Ginsberg Andy Warhol Anne Sexton John Coltrane Bob Dylan Erica Jong and Thomas Pynchon to name a few George Cotkin presents their bold headline grabbing performances and places them within the historical moment This inventive and jaunty narrative captures the excitement of liberation in American culture The roots of this release as Cotkin demonstrates began in the 1950s boomed in the 1960s and became the cultural norm by the 1970s More than a detailed immersion in the history of cultural extremism Feast of Excess raises provocative questions for our present day culture

ROAR Bruce Wagner,2022-11-15 A new novel by Hollywood s master of satire The myth of an epic public life its triumphs and tragedies is a particularly American obsession ROAR is a metafictional exploration of such a life and attendant fame of an extraordinary and completely made up man Born in Nashville in 1940 and adopted by a wealthy San Francisco

couple Roger Orr Roar became an underground stand up comedian with a cult following while still in his teens segueing to an acclaimed songwriter in the Sixties In the decades that followed his talent spanned the worlds of entertainment from film directing and books to fine art paintings sculpture His promethean energies expanded to the world of medicine he became a dermatologist the first to patent cadaver skin for burn victims A spiritual seeker who returned to India throughout his life Roar was also a voracious lover of both men and women The journey of Roger Orr was a premonition of the cultural earthquakes to come It wasn't until his 40s that Roar learned his birth mother was black and it wasn't until his early 60s when he began the hormonal treatment and surgeries that chipped away at the armor covering what he always knew was his true identity that of a woman Roar's saga is best told by a cacophony of voices family members critics historians and the famous Meryl Streep Amanda Gorman Dave Chappelle Andy Warhol including some heard from the grave In ROAR Wagner brilliantly paints a vivid picture of one man our times and our culture's enduring obsession with fame *An Accident of Hope* Dawn M. Skorczewski, 2012-04-27 In 1956 Anne Sexton was admitted into a mental hospital for post partum depression where she met Dr Martin Orne a young psychiatrist who treated her for the next eight years In that time Sexton would blossom into a world famous poet best known for her confessional poems dealing with personal subjects not often represented in poetry at that time mental illness depression suicide sex abortion women's bodies and the ordinary lives of mothers and housewives Orne audiotaped the last three years of her therapy to facilitate her ability to remember their sessions The final six months of these tapes are the focus of this book In *An Accident of Hope* Dawn Skorczewski links the content of the therapy with poetry excerpts offering a rare perspective on the artist's experience and creative process We can see Sexton attempting to make sense of her life and therapy and to sustain her confidence as a major poet while struggling with the impending loss of Orne who was moving elsewhere Skorczewski's study provides an intimate in depth view of the therapy of a psychologically tortured yet immensely creative woman during a period of emerging feminism and cultural change Tracing the mutual development of the poet and the therapist during their years together the author explores the tension between the classical therapeutic setting as practiced in the early 1960s and contemporary relational and developmental concepts in psychoanalysis just then beginning to emerge *An Accident of Hope* also raises broader questions about the nature of healing in psychotherapy The poet and therapist we encounter in these sessions present complex and conflicted images of the therapeutic and creative process Orne equal parts honesty and hesitancy works to bolster Sexton's self image and maintain that she is more than the sum of her poetry Sexton working against a tendency to hide from her most painful feelings valiantly pushes to tell the truth in therapy while her poems invite the readers to see another side of the story Just as Orne kept the audiotapes so that one day they might help others who suffer *An Accident of Hope* tells the story of a therapy but moves beyond it By offering a glimpse into the past the present is open for reappraisal both of Sexton herself and the legacy of psychoanalytic treatment *A Study Guide for Anne Sexton's "Oysters"* Gale, Cengage Learning, 2016 A Study

This Business of Words Amanda Golden, 2018-11-02 One of America s most influential women writers Anne Sexton has long been overshadowed by fellow confessional poets Sylvia Plath and Robert Lowell and is seldom featured in literary criticism This volume reassesses Sexton and her poetry for the first time in two decades and offers directions for future Sexton scholarship Mapping Sexton s influence on twenty first century cultural contexts these essays emphasize her continuing vitality Contributors Jeanne Marie Beaumont Jeffery Conway Jo Gill Amanda Golden Christopher Grobe Anita Helle Kamran Javadizadeh Dorothea Lasky Kathleen Ossip David Trinidad Victoria Van Hyning

Scenes of Shame Joseph Adamson, Hilary Clark, 1998-10-15 The significance of shame as a critical human emotion has come to be recognized in the fields of psychoanalysis psychotherapy and psychology Scenes of Shame brings this body of theory to bear on literary and philosophical representations of shame The contributors explore the role of shame as an important affect in the psychodynamics of a wide range of literary and philosophical works including essays on Kierkegaard Hawthorne George Eliot Nietzsche Lawrence Faulkner Sexton and Toni Morrison The book also includes an

analysis of the problem of shame in student lifewriting in the classroom and testifies to the importance of affect in philosophy and literature as well as to the way in which imaginative writers can clarify and enrich our understanding of an emotion that as Silvan Tomkins claims strikes deepest into the human heart **Confidentiality and Its Discontents** Paul W.

Mosher, Jeffrey Berman, 2015-07-01 Freud promised his patients absolute confidentiality regardless of what they revealed but privacy in psychotherapy began to erode a half century ago Psychotherapists now seem to serve as double agents with a dual and often conflicting allegiance to patient and society Some therapists even go so far as to issue Miranda type warnings advising patients that what they say in therapy may be used against them Confidentiality and Its Discontents explores the human stories arising from this loss of confidentiality in psychotherapy Addressing different types of psychotherapy breaches Mosher and Berman begin with the the story of novelist Philip Roth who was horrified when he learned that his psychoanalyst had written a thinly veiled case study about him Other breaches of privacy occur when the so called duty to protect compels a therapist to break confidentiality by contacting the police Every psychotherapist has heard about Tarasoff but few know the details of this story of fatal attraction Nor are most readers familiar with the Jaffee case which established psychotherapist patient privilege in the federal courts Similiarly the story of Robert Bierenbaum a New York surgeon who was brought to justice fifteen years after he brutally murdered his wife reveals how privileged communication became established in a state court Meanwhile the story of New York Chief Judge Sol Wachtler convicted of harassing a former lover and her daughter shows how the fear of the loss of confidentiality may prevent a person from seeking treatment with potentially disastrous results While affirming the importance of the psychotherapist patient privilege Confidentiality and Its Discontents focuses on both the inner and outer stories of the characters involved in noteworthy psychotherapy breaches and the ways in which psychiatry and the law can complement but sometimes clash with each other
