**Searching For Peace** Johan Galtung, Carl G. Jacobsen, Kai-Frithjof Brand-Jacobsen, 2002-05-20 This new updated and extensively revised edition of *Searching for Peace* is one of the first books to bridge the gap between peace and conflict studies world order and globalisation Revealing deep structures and deep cultures of violence and finding in them the reasons for increasing violence and peacekeeping failures it presents the lessons that can be learned from the TRANSCEND approach adopted as a UN training guide A critical and piercing analysis of the short comings of conventional approaches to conflict resolution realpolitik and worsening dynamics of global violence which if not resolved threaten even more catastrophic destruction in the future The book maps the conditions and path to sustainable peace and the challenge for peace by peaceful means

*Searching for Peace* Johan Galtung, Carl G. Jacobsen, Kai Frithjof Brand-Jacobsen, Finn Tschudi, 2000 A comprehensive guide to conflict resolution that draws on the Transcend approach to peace making now adopted by the United Nations

**The Transformation of Violent Intercommunal Conflict** Stephen Ryan, 2016-02-24 In recent years there has been a remarkable growth of interest in the concept of conflict transformation and the closely related strategy of grass roots peace building Yet there exists no general critical analysis of the concept of conflict transformation in the context of violent inter communal conflict and the different approaches that can be included in response to this category of dispute This study offers a comprehensive survey and critical overview of this emerging area Examining the reasons for the growing interest in the concept of conflict transformation in situations of ethnic conflict the book explores the different dimensions of transformation It draws on examples of strategies from a number of situations of ethnic conflict including Northern Ireland Israel Palestine Bosnia Kosovo Cyprus Spain Sri Lanka and the former Soviet Union to identify and assess key issues and problems that have emerged and ultimately to propose a stronger emphasis on the promotion of inter subjective understanding

*Searching for Peace* Johan Galtung, Carl G. Jacobsen, 2000 Drawing on the Transcend approach to peace making *Searching for Peace* provides a comprehensive guide to conflict resolution The TRANSCEND method now used by the UN as a guide to future conflict resolution approaches applies to all conflict constellations It has been used in Northern Ireland Kashmir Korea the Gulf conflict Ecuador and Peru Kosovo Guatemala and Honduras and China and Tibet *Searching for Peace* provides a wide ranging survey of past and present approaches to violent conflict prevention and includes detailed analysis of over forty conflicts as case studies It critiques the failures of recent peacekeeping and peacemaking efforts while presenting the multi decade research and arguments that underlie the Transcend approach Aiming to include all participants in the peace dialogue TRANSCEND offers hopeful prescriptions for the future

*Encyclopedia of Peace Education* Monisha Bajaj, 2008-05-01 The rise of peace education both in scholarship and in practice has yielded numerous documents websites and publications with often divergent perspectives on what the field is does and means The *Encyclopedia of Peace Education* provides a comprehensive overview of the scholarly developments in the field to date so as to provide a common denominator for the various actors involved in advancing peace education internationally Thus this edited volume serves as an essential reference guide that traces the history and emergence of the field highlights foundational concepts contextualizes peace education practice across international and disciplinary borders and suggests new directions for peace educators From core conceptual perspectives to the moral and

spiritual foundations of the field to the role of the United Nations the Encyclopedia grounds peace education in a solid theoretical and practical framework through the writings of the field's most renowned scholars This volume will target undergraduate and graduate students as well as scholars and practitioners working in international and non governmental organizations in the field of peace education

**Peace in International Relations** Oliver P. Richmond, 2020-01-06 This updated and revised second edition examines the conceptualisation and evolution of peace in International Relations IR theory The book examines the concept of peace and its usage in the main theoretical debates in IR including realism liberalism constructivism critical theory and post structuralism as well as in the more direct debates on peace and conflict studies It explores themes relating to culture development agency and structure not just in terms of representations of IR and of peace but in terms of the discipline of IR itself The work also specifically explores the recent mantras associated with liberal and neoliberal versions of peace which appear to have become foundational for much of the mainstream literature and for doctrines for peace and development in the policy world Analysing war has often led to the dominance and mitigation of violence as a basic assumption in and response to the problems of IR This study aims to redress this negative balance by arguing that the discipline offers a rich basis for the study of peace which has advanced significantly over the last century or so It also proposes innovative theoretical dimensions of the study of peace with new chapters discussing post colonial and digital developments This book will be of great interest to students of peace and conflict studies politics and IR

**Turkey and the Kurdish Peace Process** Arin Savran, 2022-11-03 After the fall of the Ottoman Empire following World War I the Kurds in the Middle East became the largest ethnic group in the region without a state of their own Divided between Turkey Syria Iran and Iraq the Kurds have fought for their right to exist as a distinct national group as well as for governing themselves Turkey and the Kurdish Peace Process provides a historical and conceptual account of events in order to detail the key conditions factors and events that gave rise to the PKK Kurdistan Workers Party conflict in Turkey as well as the conditions influencing the emergence management and collapse of the peace talks Drawing from conflict resolution theories this book investigates the transformation of key conflict actors and changes over time in their approach to the main conflict issues Moreover Arin Y Savran expands the concept of conflict transformation to encompass the ideological transformation of a movement as a result of a rigorous and deep intellectual epiphany on the part of the political leaders a phenomenon that is unusual and little is known about making it all the more relevant to include in future theoretical approaches in peace process studies Methodologically she rethinks conflict transformation resolution approaches to focus on

shifts in beliefs and relationships that occur prior to a peace process or the start of peace negotiations when often much focus on peace processes is on the post agreement phase This book is among the first comprehensive scholarly accounts to date in the English language that analyzes the Kurdish peace process The Transformation of Peace Oliver P.

Richmond,2024-06-06 The second edition of this influential book examines the transformation of the discourse and praxis of peace from its early beginnings in the literature on war and power to the development of intellectual and theoretical discourses of peace contrasting this with the development of practical approaches to peace and examining the intellectual and policy evolution regarding peace Now with reflections on each chapter and a new introduction and conclusion the book is essential reading for researchers and students of peace and conflict studies and beyond **The Palgrave Handbook of**

**Global Approaches to Peace** Aigul Kulnazarova,Vesselin Popovski,2018-12-19 With existing literature focusing largely on Western perspectives of peace and their applications a global understanding of peace is much needed Spurred by more recent debates and discourses that criticize the dominant realist and liberal approaches for crises in contemporary state and peace building the contributors to this handbook emphasize not only the need to solve this eternal conundrum of humanity but also demand with the rise of increasingly more violent conflicts in international relations the development of a global interpretive framework for peace and security To this end the present handbook examines conceptual institutional and normative interpretive approaches for making building and promoting peace in the context of roles played by state and non state actors within local national regional and global units of analysis **Negotiating Armenian-Azerbaijani Peace**

Ohannes Geukjian,2016-04-22 Conflict resolution conflict management and conflict transformations are major themes in this unique book which examines explores and analyses the mediation attempts of the Organization for Security and Cooperation in Europe in the Nagorno Karabakh conflict Ohannes Geukjian shows the most striking characteristic of a protracted internal conflict such as this is its asymmetry and explains that without meeting basic human needs like identity recognition security and participation resolving any protracted social conflict is very difficult The Armenian Azerbaijani case demonstrates how official diplomacy may not be able to solve protracted internal conflicts as without addressing the real causes of the problematic relationship attempts at peace making will always be sporadic and the space for mutual understanding and compromise shrink Geukjian shows that conflict transformation has a particular salience in asymmetric conflicts such as this where the goal is to transform unjust relationships and where a high degree of polarisation between the disputants has taken root Using the Nagorno Karabakh case this book focuses on the anatomy and causes of deadlock in negotiations and highlights the many difficulties in achieving a breakthrough *The Transformation of Peace* O. Richmond,2016-01-08 This book examines the transformation of the discourse and praxis of peace from its early beginnings in the literature on war and power to the development of intellectual and theoretical discourses of peace contrasting this with the development of practical approaches to peace and examining the intellectual and policy evolution regarding peace **Peace in**

**International Relations** Oliver Richmond, 2003-03-19 This book examines the way in which peace is conceptualized in IR theory a topic which has until now been largely overlooked The volume explores the way peace has been implicitly conceptualized within the different strands of IR theory and in the policy world as exemplified through practices in the peacebuilding efforts since the end of the Cold War Issues addressed include the problem of how peace efforts become sustainable rather than merely inscribed in international and state level diplomatic and military frameworks The book also explores themes relating to culture development agency and structure It explores in particular the current mantras associated with the liberal peace which appears to have become a foundational assumption of much of mainstream IR and the policy world Analyzing war has often led to the dominance of violence as a basic assumption in and response to the problems of international relations This book aims to redress the balance by arguing that IR now in fact offers a rich basis for the study of peace
