Searching For Isabella:

Searching for Isabel Godin Celia Wakefield, 1995 Searching for Isabel Godin is the story of the first woman to go down the Amazon Searching for Isabel Godin is a suspenseful book about courage exploration and the rewards that come with finding a kindred spirit from the past Sexual Enjoyment in British Romanticism David Sigler, 2015-03-01 Debates about gender in the British Romantic period often invoked the idea of sexual enjoyment there was a broad cultural concern about jouissance the all engulfing pleasure pertaining to sexual gratification On one hand these debates made possible the modern psychological concept of the unconscious since desire was seen as an uncontrollable force the unconscious became the repository of disavowed enjoyment and the reason for sexual difference On the other hand the tighter regulation of sexual enjoyment made possible a vast expansion of the limits of imaginable sexuality In Sexual Enjoyment and British Romanticism David Sigler shows how literary writers could resist narrowing gender categories by imagining unregulated enjoyment As some of the era s most prominent thinkers including Edmund Burke Mary Wollstonecraft Mary Robinson Joanna Southcott Charlotte Dacre Jane Austen and Percy Bysshe Shelley struggled to understand sexual enjoyment they were able to devise new pleasures in a time of narrowing sexual possibilities Placing Romantic era literature in conversation with Lacanian psychoanalytic theory Sexual Enjoyment in British Romanticism reveals the fictive structure of modern sexuality makes visible the diversity of sexual identities from the period and offers a new understanding of gender in British Romanticism
