Searching For Sara:

A Search for Reality Leon Combs, 2007-11 Imagine life when God's Church has lost acceptance and the government only allows a new church structure that rejects the concept of a Biblical God The purpose of the new churches is to help people attain peace in their lives A world dictator has emerged who achieved peace by suppressing the former concepts of religion so that religious conflicts no longer exist The world government uses virtual reality modules to mold the minds of citizens to accept this new structure and all known Christians are isolated The main character is a scientist who achieves all that the world can offer but who still thinks something is missing He and his friends initiate a search for real reality As the story unfolds choices must be made between the manufactured peace of this worldly existence and the dangers of declaring themselves Christians Dr Combs earned his Ph D in Chemical Physics from LSU and then taught chemistry and physics for 40 years He is Professor and Head Emeritus at Mississippi State University and Professor and Chair Emeritus at Kennesaw State University He has taught Sunday School classes for about 30 years in three different denominations He currently is a member of a reformed Presbyterian church He developed a web site <http://LivingTheology.com> which carries many of his Christian writings This book began about 20 years ago as he observed how the church was losing its identity as God's Church and people attending such local churches seemed mainly interested in socializing and hearing sermons designed to make them feel better He also observed how people were treating sports as religions After retiring in July 2006 from KSU he determined to finish this book since many of the futuristic aspects of the book are already appearing **Sara's Angel** Sharon Sala, 2015-06-15 Don't miss the chance to read the novels that launched New York Times bestselling author Sharon Sala's career THE THINGS WE DO FOR LOVE Sara Beaudry knew the note from her brother Roger was a matter of life and death Without a moment's hesitation she walked out on her career traded her car for a motorcycle and rode off into the Texas sunset Roger's message had been clear If she wanted to stay alive she had to find his former partner Mackenzie Hawk who was living somewhere in Oklahoma's Kiamichi Mountains and she had to find him fast The roar of a motorcycle engine was an alien sound in the Kiamichi night Hawk watched in disbelief as the Harley Davidson spun into his yard and its frozen driver collapsed in his arms What was a woman a gorgeous woman at that doing on his mountain in the middle of the night She claimed she needed his help and that his old partner had sent her but as far as Hawk was concerned those days were gone He'd left undercover work for good and nothing was going to make him go back to it not even a tall leggy redhead who made his blood run hotter than it had in years In Search of Eden Robert M. Yarbrough, 2017-12-04 Nearing the end of the Twenty fourth century deep space satellites identify a rip in space between Earth and Mars A military venture class ship code named Exploration is sent through the rift and arrives far beyond what science labeled the edge of the universe Shortly after arrival the Exploration sends transmissions to Earth that holds the key to unlocking faster than light travel The next few messages from the ship come in the form of blood soaked screams from the crew members begging for their lives Almost
