Americana Germanica, 1917 **German American Annals**, 1915 **The German Drama in English on the Philadelphia Stage from 1794 to 1830** Charles Frederic Brede, 1918 **Fulfilled In Their Season** Joseph Nathan Smith, 2011-02-15 *Fulfilled In Their Season* examines the Earth's chronology from a Biblical point of view. It focuses on the seasons in which many past events have occurred and in which many future events will occur. Amazingly, the Bible specifies the season of the year for many events. As found in the Bible, events like creation, the yearly feasts, Jesus' birth, and the final harvest are all associated with a particular season of the year. This information provides a unique perspective on end-time events.

Cosmic Christology in Paul and the Pauline School Geurt Hendrik van Kooten, 2003. How did the understanding of Jesus as the universal Son of Man of Apocalyptic Judaism develop into the notion of a cosmic god, the cosmic Christ? George van Kooten traces the earliest encounters between antiquity and Christianity.

A Season of Discord Edward Candy, 1964 **To Be a Friend Is Fatal** Kirk W. Johnson, 2014-10-07. The searing *The New Yorker* must read. *The Philadelphia Inquirer* memoir of one of the few genuine heroes of America's war in Iraq. Dexter Filkins. In January 2005, Kirk Johnson, then twenty-four, arrived in Baghdad as USAID's US Agency for International Development only Arabic-speaking American employee. Despite his opposition to the war, Johnson felt called to civic duty and wanted to help rebuild Iraq. Working as the USAID's first reconstruction coordinator in Fallujah, he traversed the city's IED-strewn streets, working alongside idealistic Iraqi translators, young men and women sick of Saddam, filled with Hollywood slang, and enchanted by the idea of a peaceful democratic Iraq. It was not to be. As sectarian violence escalated, Iraqis employed by the US coalition found themselves subject to a campaign of kidnapping, torture, and assassination. On his first brief vacation, Johnson swept into what doctors later described as a fugue state, crawled onto the ledge outside his hotel window, and plunged off. He would spend the next year in an abyss of depression, surgery, and PTSD, crushed by having failed in Iraq. One day, Johnson received an email from an Iraqi friend: "Yaghdan, People are trying to kill me and I need your help." That email launched Johnson's now seven-year mission to get help from the US government for Yaghdan and thousands of abandoned Iraqis like him. *To Be a Friend Is Fatal* is Kirk W. Johnson's truly incredible Ira Glass portrait of the human rubble of war and his efforts to redeem a shameful chapter of American history. It is difficult to imagine a book more urgent than this. *The Boston Globe*.

Swarms, Viral Writing, and the Local Carl Whithaus, 2025-04-15. *Swarms, Viral Writing, and the Local* examines the social and rhetorical dynamics around emerging writing technologies. Carl Whithaus argues that these dynamics work across networked publics as patterns of behavior and ways of interacting through and with multimodal texts. This rhetorical analysis of the production and reception of born-digital rhetoric shows the ongoing and evolving impacts of online public discourse that can lead to bad restaurant reviews or the subversion of democracy. It is a networked process that gains significance because of the interplay and tensions between the global and the local. As these texts are created, distributed, received, and then recreated and shared.

again in viral ways different messages resonate across media ecologies Whithaus documents how emerging social dynamics shape and are shaped by digital writing reading and distribution technologies
