

Reviews for SEASON OF THE STRANGLER

"Madison Jones is a mystical craftsman and an inspired storyteller, absolutely unique. All the virtues of the best Southern literary tradition come to life in this book, and to those virtues he has added others which are his own gift of enrichment."

—James Dickey
author of *Deliverance*

"We have Sherwood Anderson's Winesburg, Ohio have I read such a compelling array of narratives poised about a central theme. The characters and situation stretch far beyond the boundaries of the imaginary Alabama town in which this compelling work is set. *SEASON OF THE STRANGLER* is Madison Jones at his brightest and best."

—Jesse Hill Ford
author of
The Liberation of Lord Byron Jones

"An unusual book. The impact is haunting... I can't remember for a book written in quite this manner, in structure, tone, and language."

—Frederick Manfred

Season Of The Strangler:

Season of the Strangler Madison Jones, 1982 Southern Writers Bear Witness Jan Nordby Gretlund, 2018-07-15

Fourteen Southern storytellers reveal their influences methods and daily routines and struggles with the writing process Jan Nordby Gretlund has been studying the literature of the American South for some fifty years and his outsider s perspective as a European scholar has made him an intellectually acute witness of both the literature and its creators Whether it is their language and reflexive storytelling or the craft and techniques by which writers transform life and experience into art that fascinates Gretlund elements of their fiction led to his interviews with the fourteen storytellers featured in Southern Writers Bear Witness Gretlund believes a good interview will always reveal something about a writer s life and character details that can inform a reading of that writer s fiction The interviewer s task according to Gretlund is to supply the reader with some of the sources and experiences that inspired and shaped the fiction Through his conversations Gretlund also occasionally elicits the subjects reflections on other writers and their work to discover affiliations lines of influence and divergences and he also emphasizes the enduring power of their work His interviews with Eudora Welty and Pam Durban uncover strong family and community experiences found at the core of their fiction Gretlund also turns conversations to the craft of writing writers daily routines and specific problems encountered in their work such as Clyde Edgerton s struggle with point of view In other exchanges he investigates distinctive elements of a writer s work such as violence in Barry Hannah s fiction and religious faith in Walker Percy s Still other conversations such as his with Josephine Humphreys touch on the pressures and opportunities of publishing and its influence on the writer s work Taken together these authors insights on life in the South provide a fascinating window into the creative process of storytelling as well as the human experiences that fuel it A foreword by Daniel Cross Turner author of Southern Crossings Poetry Memory and the Transcultural South and co editor of Undead Souths The Gothic and Beyond in Southern Literature and Culture and Hard Lines Rough South Poetry is also included Featured Authors Pat Conroy Pam Durban Clyde Edgerton Percival Everett Kaye Gibbons Barry Hannah Mary Hood Josephine Humphreys Madison Jones Martin Luther King Sr Walker Percy Ron Rash Dori Sanders Eudora Welty Zambia Home Jeff Barker, 2021-02-01 Zambia Home tells the true story of one missionary nurse s amazing journey in Zambia Africa as she grapples with local politics spiritual warfare and personal grief One of the great unsung Christian heroes of our time Arlene Schuiteman s story will touch your heart and embolden your spirit to declare the glory of God to the next generation At age nineteen Arlene Schuiteman began keeping a journal That daily discipline continued throughout her life including thirty four years of nursing and teaching in three African countries South Sudan Ethiopia and Zambia She then placed her Africa journals and letters into the hands of her friend playwright Jeff Barker He adapted Arlene s writings into plays and now they have become a book series Sioux Center Sudan Iowa Ethiopia and Zambia Home This third book in the trilogy covers the final decade of Arlene s career starting with the birth of a nation and passing through the death of Arlene s

mother Arlene grapples with radically changing infrastructures and the Zambianization of medicine Then as she nears the end of her career the HTLV 3 virus stuns the world Arlene s spiritual and emotional journal has never been richer or more complex than this fitting final chapter of her amazing journey Arlene s story has the power to transfix pierce and heal This is more than historical record Here is a winsome saga that declares the power of God to the next generation **Family Guy**,2012

Madison Jones' Garden of Innocence Jan Nordby Gretlund,2005 Madison Jones is a central figure in American literature but paradoxically not well known He writes about conflicts between the native and the alien tradition and progress and innocence and experience He is the author of eleven novels including The Innocent An Exile film I Walk the Line A Cry of Absence Season of the Strangle and Nashville 1864 The Dying of the Light His novel Herod s Wife appeared in 2003 He is the winner of the T S Eliot Award for Creative Writing Like his fellow novelists George Garrett and David Madden who have contributed to this volume Jones shares the regret at the loss of inherited values He has been praised by the critics Ashley Brown Monroe Spears and Lewis P Simpson as an important transitional writer And according to contemporary writers Madison Smartt Bell William Hoffman and Lee Smith his novels are lessons in the possibility of the immediate As the essays in this collection show Madison Jones has a dark view of human experience but also self knowledge and compassion He has succeeded in finding his own voice and has created an emphatically moral world that transcends its Southern particulars
