## **Season On The Appalachian Trail:**

A Season on the Trail Lynn Setzer, 2013-02-15 A compilation of stories from thru hikers a unique group of people who every year brave a 2 100 mile trail through every type of weather every type of circumstance Gathered from trail registers postcards and personal interviews these voices come alive and evoke the true spirit of the Appalachian Trail from the lows of ten consecutive days of rain and cold to the highs of beautiful sunsets and camaraderie Each spring a group of people attempt a thru hike of the Appalachian Trail Setzer follows these determined hikers from Georgia to Maine In this new edition hikers reveal five years later how their experiences on the Trail changed their lives Originally I was attracted to the AT for the adventure of walking the whole thing at once Even as I finished I did not understand those who chose to repeat the walk But the next spring I found I wanted to go And I understood that you never walk the same trail twice I learned that I walk to fill my heart with wonder to feed my soul Merlin I know I ll be out there again I don t know when and I don t know with whom But I know once more I ll live the nomadic life I loved on the Appalachian Trail Trail Gimp Whether documenting their journey or contemplating its impact on their lives the voices in A Season on the Appalachian Trail will entrance you with their honesty and humanity

**A Season on the Appalachian Trail** Lynn Setzer, 1997 The author gathered the thoughts of thru hikers from Trail registers postcards and more than 300 personal interviews weaving them into a portrait of the class of 1996 and the paths they choose

**Breakfast with Salamanders: Seasons On The Appalachian Trail** Alan Richardson, 2021-07-20 Unique among Appalachian Trail books Breakfast with Salamanders records an eleven year adventure hiking the entire Trail by sections in trips ranging from overnights to weeks at a time Organized by seasons it looks back to the great tradition in American nature writing running from Thoreau s Walden through Leopold s Sand County Almanac and Abbey s Desert Solitaire Deeply and quietly informed by a Zen Buddhist sensibility and in later chapters interspersed with original poems in haiku form it also evokes Bash s Narrow Road to the Deep North A book to read in quiet hours or tucked into a backpack on the trail This is a book for the experienced AT hiker and for the casual saunterer in the woods It s a book for hikers who like to know the names of things flora and fauna and for walkers who take a simple pleasure in putting one foot in front of the other The author knows birds and their calls flowers and their habitat and the qualities of different kinds of rain and he also knows that the appeal of the trail is self evident and needs no justification Yet this book is more than a travelogue more than an account of the section hikes that over a period of years made up a completion of the Appalachian Trail There is a project here and a personal story the making of the hiker the identity of the hiker in his web of personal relationships and in relation to mountains and waters and there is the implication that the unmediated encounter with the natural world that the trail affords is transformative For those contemplating their next hike and for those whose hiking days are fewer and far between this book is the next best thing to the Trail itself Pierce Butler author of A Child of the Sun In this lovely reverie long time Zen practitioner Alan Richardson shares his walking practice with us a practice that takes

place over eleven years and covers more than two thousand miles Alan's years of Zen training shine through not through philosophizing but through the action of walking and reporting out on the world he begins to walk through Closely observing both the inner and the outer world he takes us along to share the joys and challenges of his adventures on and around the Appalachian Trail Through his writing Alan invites each of us to appreciate more fully the ordinary miracle of being human David Rynick Roshi abbot of Boundless Way Temple and author of This Truth Never Fails Alan Richardson grew up in Washington State backpacking and mountain climbing in the North Cascade and Olympic ranges from a young age He has taught English and American literature at Boston College for over thirty years and serves as a Senior Assistant Teacher in the Boundless Way Zen community Based in Eastern Massachusetts he has never stopped hiking the Appalachian Trail
